- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF THE DISCIPLINARY	:	
PROCEEDINGS AGAINST	:	
	:	ORDER DENYING PETITION
	:	FOR REHEARING
BASHIR A. SHEIKH, M.D.	:	
RESPONDENT	:	

Order No. 0002781
Division of Hearing and Appeals No. SPS-12-0010
Division of Legal Services and Compliance Case No. 10 MED 201

On January 15, 2014, the Wisconsin Medical Examining Board considered Respondent's Petition for Rehearing in the above matter filed pursuant to Wis. Stat. sec. 227.49, along with the Division of Legal Services and Compliance (Division's) objections to the petition and Respondent's reply. The Board also considered the parties' oral arguments presented on January 15, 2014, and the additional materials submitted by Respondent at that time.

The Board finds that Respondent failed to establish that there was a material error of law or fact and failed to establish the discovery of new evidence sufficiently strong to reverse or modify the Final Decision and Order issued in this matter and that that evidence could not have been previously discovered by due diligence.

On the basis of these findings, the Board denies Respondent's Petition for Rehearing.

This Order is effective on the date of signing.
