The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Dentistry Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent James F. Marchigiani, D.D.S., (dob April 9, 1958) is licensed in the state of Wisconsin to practice dentistry, having license number 5669-15, first issued on November 5, 2003, and current through September 30, 2015. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 3131 Milton Avenue, Janesville, Wisconsin 53545.

2. At all times relevant to this proceeding, Respondent was employed as a dentist at Whitewater Family Dental (WFD), located in Whitewater, Wisconsin.

Case No. 12 DEN 068

3. On July 18, 2011, Respondent began working as a dentist at Whitewater Family Dentistry (WFD), Whitewater, Wisconsin.

4. On May 2, 2013, Henry Schein Dental repaired a radiology machine located at WFD. WFD received an invoice for the repair addressed to the Respondent for an account number WFD's staff did not recognize.

5. Pursuant to an internal investigation, WFD learned that Respondent had initiated an account with Henry Schein Dental without their knowledge or permission, and had personally made purchases on the unauthorized account.

6. Henry Schein Dental's invoices indicated that on five (5) separate occasions between October 27, 2011 and May 3, 2012, Respondent used the unauthorized account to obtain schedule II controlled substances (hydorocodone w/ APAP) and other medications/medical devices.

7. When confronted by his employer with evidence of purchases made on the unauthorized account, Respondent admitted to purchasing the medication and to dispensing it to patients after extractions. Respondent also admitted to failing to chart or keep a log book detailing the administration of the schedule II controlled substance.

8. The investigation further revealed that no WFD employee was aware of the Respondent dispensing hydrocodone to patients.

9. Respondent's employer audited Respondent's files for the period of October 27, 2011 to June 18, 2012. The audit revealed a discrepancy between the amount of medication purportedly dispensed and the number of root canals or extraction procedures Respondent performed during the period of the audit. The audit also revealed that Respondent failed to document dispensing hydrocodone to any patient during the same period.

10. On June 26, 2012, Respondent's employment with WFD was terminated.

Case No. 13 DEN 028

11. On March 29, 2013, the Department received a complaint and discovered that Respondent was also licensed to practice dentistry in the State of Illinois, having license number 019-019607, which was first issued on July 7, 1985.

12. On September 7, 2005 the Illinois Department of Financial and Professional Regulations, Division of Professional Regulation filed a complaint alleging that Respondent, provided dental care that failed to conform with accepted standards for the profession as follows:

- a. On or about autumn 2002, Respondent failed to respond to patient R.G.'s request for follow-up treatment resulting in the patient abandonment of R.G.;

- b. On autumn 2002, Respondent performed treatment on patient M.S., received payment in 2002 but did not complete said treatment until 2004. Respondent failed to provide follow-up treatment or leave information for follow-up care resulting in the abandonment of patient M.S.
- c. From 2003 to 2004, Respondent performed treatments and received payments from patients A.S, K.R., R.M., M.G., T.D., E.H., J.V.K., and S.A. Respondent failed to provide follow-up treatment or leave information for follow-up care resulting in the abandonment of patients A.S, K.R., R.M., M.G., T.D., E.H., J.V.K., and S.A.

13. On November 8, 2007, Respondent's license was revoked by the Illinois Department of Financial and Professional Regulation on the basis of "patient abandonment and fraudulent billing."

14. Respondent did not notify the Wisconsin Dentistry Examining Board of the adverse action by the Illinois Department of Financial and Professional Regulation.

15. In resolution of these matters, Respondent consents to the entry of the following Conclusions of Law and Order.
