#### **BACKGROUND**

On December 14, 2011, for reasons stated in the Final Decision and Order of the same date (Board Order No. 0001284), including a finding of unprofessional conduct by Robin Block, the Pharmacy Examining Board (Board) accepted the resignation and surrender of Ms. Block's license to practice Pharmacy, license number 11980-40.

On September 17, 2013, Ms. Block applied for reinstatement of her license to practice Pharmacy. Included with her application materials was a personal statement from Ms. Block advising that she expects disciplinary actions for her past behaviors (which led to the surrender of her license), and that she suffers from alcoholism and addiction issues. Ms. Block further opined that should her license be reinstated, that she would participate in a monitoring program.

The Board met on March 26, 2014 and considered Ms. Block's application for reinstatement of her license to practice Pharmacy.

#### **JURISDICTION**

The Board has authority to issue this license pursuant to Wis. Stat. §§ 450.03(2) and 450.10(1)(b). The latter provides the Board with authority to "reprimand the licensee or deny, revoke,

suspend or limit the license or any combination thereof of any person licensed under this chapter who has. . . [e]ngaged in unprofessional conduct.” Ms. Block was found guilty of unprofessional conduct as evidenced in Board Order No. 0001284.

### **ORDER**

IT IS ORDERED that Ms. Block’s petition for reinstatement of her license to practice Pharmacy is GRANTED subject to the following conditions. First, Ms. Block must complete (if not already completed) the proper application materials as required by the Department as well as submit payment of any outstanding fee necessary to complete the processing of her application. Second, Ms. Block shall successfully complete and pass the Multistate Pharmacy Jurisprudence Examination which exam shall be taken by Ms. Block no earlier than the date of this ORDER. Finally, once such conditions are met, Ms. Block shall be granted a license to practice Pharmacy which license is subject to an indefinite suspension. The suspension may be stayed subject to the following conditions and limitations:

#### **SUSPENSION**

- A.1. The license of Robin L. Block, R.Ph. (Respondent), to practice as a pharmacist in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of Wisconsin licensure to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/index.htm>.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

#### **STAY OF SUSPENSION**

- B.1. The suspension of Respondent’s license may be stayed upon Respondent petitioning the Board and providing proof, which is determined by the Board or its designee to be sufficient, that Respondent is in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:

- (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

### CONDITIONS AND LIMITATIONS

#### Treatment Required

- C.1. Respondent shall enter into, and shall continue, drug and alcohol treatment with a treater acceptable to the Board or its designee ("Treater"). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater.

If Treater is unable or unwilling to serve as required by this Order, Respondent shall immediately seek approval of a successor Treater by the Board or its designee.
- C.4. The rehabilitation program shall include individual and/or group therapy sessions at a frequency to be determined by Treater. Therapy may end only with the approval of the Board or its designee, after receiving a petition for modification as required by D.5., below.

These reports shall assess Respondent's progress in drug and alcohol treatment. Treater shall report immediately to the Department Monitor any violation or suspected violation of this Order.

Copies of these releases shall immediately be filed with the Department Monitor.

Respondent shall at the time the controlled substance is ordered immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Respondent's treatment with, and provide copies of treatment records to, Treater and the Board or its designee. Copies of these releases shall immediately be filed with the Department Monitor.

Each time the prescription is filled or refilled, Respondent shall immediately arrange for the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.
- C.12. Respondent shall provide the Department Monitor with a list of over-the-counter medications and drugs that they may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation, shall not be taken unless ordered by a physician and approved by Treater, in which case the drug must be reported as described in paragraph C.11.

### Drug and Alcohol Screens

- C.13. Respondent shall enroll and begin participation in a drug and alcohol monitoring program which is approved by the Department (Approved Program).
- C.14. At the time Respondent enrolls in the Approved Program, Respondent shall review all of the rules and procedures made available by the Approved Program.   - (b.) Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.
- C.15. The Approved Program shall require the testing of specimens at a frequency of not less than 48 times per year. The Approved Program shall require the testing of a hair sample at least one time each year. After the first year, Respondent may petition the Board on an annual basis for a modification of the frequency of tests. The board may adjust the frequency of testing on its own initiative at any time.
- C.16. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- C.17. In addition to any requirement of the Approved Program, the Board or its designee may require Respondent to do any or all of the following: (a) submit additional specimens; (b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.
- C.18. All confirmed positive test results shall be presumed to be valid. Respondent must prove by a preponderance of the evidence an error in collection, testing, fault in the chain of custody or other valid defense.
- C.19. The Approved Program shall submit information and reports to the Department Monitor as directed.

Respondent may petition the Board for modification of this prohibition against practice as a pharmacist in charge pursuant to the terms of paragraph D.5. In addition to complying with the conditions of paragraph D.5., any such petition shall be accompanied by written request of the managing pharmacist, which shall include a complete work schedule of all pharmacists employed in the pharmacy indicating the proposed work schedule and supervision pattern for Respondent. The Board in its discretion may at any time modify any of the terms regarding practice by Respondent as a pharmacist in charge, including removal of authorization under this Order of Respondent to practice as a pharmacist in charge, as the Board deems appropriate in the circumstances. Grounds for modification or removal of the authorization to practice as a pharmacist in charge may include, but shall not be limited to, change in employer, managing pharmacist or residence address of the Respondent.

Respondent shall provide a copy of this Final Decision and Order and all other subsequent orders immediately to supervisory personnel (including the managing pharmacist) at all pharmacies where Respondent is engaged in the practice of pharmacy as defined at Wis. Stat. § 450.01(16). The Board or the Department in its discretion may conduct unannounced inspections and/or audits, and make copies, of pharmacy records and inventory where Respondent is employed as a pharmacist. EMPLOYERS WHO ARE DEA REGISTRANTS ARE INFORMED THAT IF RESPONDENT HAS BEEN CONVICTED OF ANY FELONY RELATING TO CONTROLLED SUBSTANCES, THE EMPLOYER MUST RECEIVE A WAIVER OF 21 CFR § 1301.76 UNDER 21 CFR § 1307.03 BEFORE EMPLOYING RESPONDENT.
- C.25. It is Respondent's responsibility to arrange for written reports from supervisors to be provided to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's work performance, and shall include the number of hours of active pharmacist practice worked during that quarter. If a report indicates poor performance, the Board may institute appropriate corrective limitations, or may revoke a stay of the suspension, in its discretion.
- C.26. Respondent shall obtain agreement from his managing pharmacist to monitor Respondent's access to and accountability for handling of controlled substances and other abusable prescription drugs in order to reasonably detect loss, diversion, tampering, or discrepancy relating to controlled substances and other abusable prescription drugs. Respondent's supervisor shall include in the quarterly reports a description of Respondent's access to controlled substances and other abusable drugs and the monitoring thereof. Any loss, diversion, tampering, or discrepancy shall be immediately reported to the Board.
- C.27. In addition to the foregoing subparagraph, Respondent shall obtain from his supervising pharmacist an agreement to conduct a full and exact (not estimated) count of all controlled substances in inventory immediately, and accountability audits of all controlled substances every six months for the duration of this Order. The audit shall be conducted by and certified by a licensed pharmacist other than Respondent, who shall be approved by the Board. A summary
