The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Brenda J. Pittman, R.N., (dob November 1, 1957) is licensed in the State of Wisconsin as a professional nurse, having license number 120594-30, first granted on July 21, 1995 and current through February 28, 2014. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 4610 South Caldwell Court, New Berlin, Wisconsin 53151.

2. At all times relevant to this proceeding, Respondent was employed as a professional nurse at a dialysis center (Center), located in Delafield, Wisconsin.

3. On August 9, 2013, the New Berlin Police Department (Police) received a call from a pharmacy indicating that an unknown person had called in a suspicious prescription for hydrocodone for Patient B. The prescription was allegedly called in by an employee at the Center on behalf of Dr. A.

4. The pharmacy checked its records and discovered a series of suspicious prescriptions for hydrocodone for Patient B and Patient C, both patients at the Center.

5. The pharmacy contacted Dr. A, who confirmed that he had not authorized the hydrocodone prescription for Patient B, and had never written a prescription for hydrocodone for Patient B or Patient C.

6. Respondent arrived at the pharmacy to pick up the prescription for Patient B. The pharmacy contacted the Police and attempted to stall Respondent, but Respondent became very nervous and left without obtaining the prescription.

7. The Police stopped Respondent as she exited the pharmacy drive-thru to question her. Respondent stated that she had been at the pharmacy to pick up a prescription in her own name for fluoxetine but left due to a delay. Pharmacy staff stated that no one had attempted to obtain a prescription in Respondent's name or for fluoxetine.

8. The Police searched Respondent's vehicle and found a piece of paper with full contact information for Patient C. Respondent stated that Patient C was her patient and that she sometimes picked up prescriptions for Patient C.

9. The Police contacted Patient B, who stated that they did not have any prescriptions and did not know who Respondent was.

10. The Police contacted Patient C, who stated that they did not know who Respondent was and that they never gave Respondent permission to pick up any prescriptions in their name.

11. The Police contacted the supervisor at the Center, who stated that Respondent had never had Patient B or Patient C as patients.

12. The supervisor at the Center reviewed their records and determined that Respondent had inappropriately accessed Patient B's records electronically starting in September of 2012, and had inappropriately accessed Patient C's Records electronically starting in November of 2012.

13. On August 12, 2013, Respondent did not return to work at the Center but rather submitted an e-mail resignation.

14. On October 21, 2013, Respondent was charged with Obtaining a Controlled Substance by Fraud, Waukesha County case number 2013CF1254, in violation of Wis. Stat. § 961.43(1)(a).

15. On July 25, 2014, Respondent pled guilty to three counts of obtaining a prescription by fraud, in violation of Wis. Stat. § 450.11(7)(a). The amended information was also filed on July 25, 2014.

16. On July 29, 2014, the judgment of conviction was entered by the court in Waukesha County case number 2013CF1254.

17. Respondent is currently in treatment for her substance abuse problem.

18. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07, and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. Pursuant to Wis. Stat. § 961.18(5)(d), hydrocodone of not more than 15 mg per dosage unit, is a schedule III controlled substance for which, under the circumstances at issue, a prescription is required pursuant to Wis. Stat. § 961.38(3).

3. By the conduct described in the Findings of Fact, Respondent engaged in unprofessional conduct as defined in Wis. Admin. Code § N 7.04(2) by obtaining medication without a valid prescription.

4. By the conduct described in the Findings of Fact, Respondent engaged in unprofessional conduct as defined in Wis. Admin. Code § N 7.04(1) by violating a law substantially related to the practice of professional nursing.

5. By the conduct described in the Findings of Fact, Respondent engaged in negligent conduct as defined in Wis. Admin. Code § N 7.03(2) by abusing drugs to the extent that it impairs her ability to safely or reliably practice.

6. As a result of the above violations, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1)(b), (c) and (d).

ORDER

1. The attached Stipulation is accepted.

2. The professional nursing license issued to Brenda J. Pittman, R.N. (license number 120594-30) and her privilege to practice in Wisconsin pursuant to the Nurse Licensure Compact, are LIMITED as follows:

a. Within 90 days of the date of this Order, Respondent shall at their own expense, successfully complete three (3) hours of education on HIPAA and three (3) hours of education on ethics and professionalism in nursing offered by a provider pre-approved by the Board's monitoring liaison, including taking and passing any exam offered for the courses.

b. Respondent shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board or Department, and also may not be used in future attempts to upgrade a credential in Wisconsin.

c. This limitation shall be removed from Respondent's license after satisfying the Board or its designee that Respondent has successfully completed all of the ordered education.

3. The professional nursing license issued to Respondent Brenda J. Pittman, R.N., (license number 120594-30) is SUSPENDED and LIMITED as follows:

SUSPENSION

A.1. The license of Brenda J. Pittman, R.N., (license number 120594-30), to practice as a nurse in the State of Wisconsin is SUSPENDED for an indefinite period.

A.2. The privilege of Brenda J. Pittman, R.N., to practice as a nurse in the State of Wisconsin under the authority of another state's license pursuant to the Nurse Licensure Compact is also SUSPENDED for an indefinite period.

A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of a Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.

A.4. Respondent shall mail or physically deliver all indicia of Wisconsin nursing licensure to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/index.htm>.

A.5. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin

licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall not be stayed for the first three (3) months, but any time after three (3) months the suspension may be stayed upon Respondent providing proof, which is determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order for the most recent three (3) consecutive months.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board or its designee may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
 - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
