The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Aszani Stoddard, R.N., A.P.N.P., C.N.M., (dob December 29, 1958) is licensed in the State of Wisconsin as a professional nurse, having license number 117907-30, first issued on September 2, 1994 and current through February 29, 2016. Respondent is also certified in the State of Wisconsin as an advanced practice nurse prescriber, having certification number 2202-33, first issued on February 4, 2003 and current through September 30, 2014. Respondent is also certified in the State of Wisconsin as a nurse-midwife, having certification number 137182-32, first issued on June 21, 2001 and current through February 29, 2016. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 3605 40<sup>th</sup> Avenue South, Minneapolis, Minnesota 55406.

2. In 2010, Respondent was employed as a certified nurse-midwife at a birth center, located in St. Paul, Minnesota.

3. On June 5, 2014, the Minnesota Board of Nursing (Minnesota Board) and Respondent entered into a Stipulation and Consent Order based on the following facts:

- a. In 2010, Respondent served as a nurse-midwife to Patient A. Respondent performed prenatal visits, care during Patient A's home birth and postpartum check-ups.
- b. After the birth of Patient A's child, Respondent exchanged occasional text messages with Patient A and accepted an invitation to have dinner at the Patient A's home. Respondent encouraged Patient A to volunteer at the birth center.
- c. Respondent did not provide any nursing services for the Patient A after 2010.
- d. In March 2011, Respondent resigned her employment and continued to socialize with the former patients, including Patient A.
- e. In August 2012, Patient A expressed romantic feelings towards Respondent. Respondent encouraged Patient A to seek mental health services. Respondent rarely saw Patient A after this time, but did continue to exchange emails and text messages.
- f. Later in August 2012, Respondent and Patient A discussed their relationship and exchanged a series of communications, two of which contained sexual innuendos.
- g. In October 2012, Respondent and Patient A met with Patient A's therapist to put closure on their friendship. A few days prior to the meeting, Respondent sent an email to Patient A discussing the possibility of Respondent and Patient A becoming "primary partners" while Patient A and her husband would be "secondary partners." Respondent stated later that she made this statement only to push Patient A to make a decision in favor of her marriage. Respondent admitted this was an unskilled way to facilitate formal closure.
- h. Later in October 2012, Respondent admitted she made an error in thinking of Patient A as a friend and acknowledged she should have terminated all contact immediately after Patient A revealed her romantic feelings towards Respondent.
- i. Respondent acknowledged she socializes with former patients and attends events such as reunion picnics, and, in some cases, continues to serve as a health care provider to patients with whom she had also become friends.

4. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.
