- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

On January 27, 2005, the Wisconsin Board of Nursing ("Board") issued a Final Decision and Order ("Order") suspending Respondent's license for an indefinite period. On May 17, 2011 the Board denied Respondent's request to extend the stay of the suspension, reverting the license back to suspended status. On December 16, 2011 the Board Ordered that Respondent may not petition for a stay of the suspension until she provides a fitness to practice evaluation. Respondent has submitted a completed fitness to practice evaluation dated July 13, 2015.

On November 12, 2015, the Board considered Respondent's request for reinstatement of full licensure. Based upon the information of record, the Board finds and makes the following:

ORDER

1. The Board GRANTS a stay of suspension. Respondent's license is limited to the terms of the Order dated January 27, 2005.
2. Respondent's request for reinstatement of full licensure is hereby DENIED. Respondent must work under the original terms of the Board Order and demonstrate continuous, successful compliance for a period of at least five years.
