- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

On December 11, 2013, the Wisconsin Medical Examining Board ("Board") issued a Final Decision and Order ("Order") limiting Respondent's license to practice medicine and surgery with certain terms and conditions. Per the Order, Respondent may petition the Board for removal of the limitations upon successful completion of all required educational activities and upon receipt of the statement of the educational preceptor that the Respondent is capable of meeting the standard of care in independent practice.

On June 17, 2015, the Board considered Respondent's request for removal of the limitations and the return of his license to full, unrestricted status. Based upon the information of record, the Board finds and makes the following:

ORDER

1. Respondent's request for the return of his license to practice medicine and surgery to full, unrestricted status is hereby DENIED. Respondent's request is denied because he did not comply with page 2, paragraph 2(a-d) of the Order. The Respondent did not demonstrate successful completion of all CPEP recommendations.
