Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

On March 13, 2014, the Wisconsin Board of Nursing issued a Final Decision and Order ("Order") limiting Respondent's professional nursing license with certain terms and conditions. Respondent was ordered to complete six (6) hours of education in "nursing ethics" within 90 days of the Order and pay three hundred dollars (\$300) in costs of the proceeding with 120 days from the Order.

The information of record demonstrates that Respondent has failed to complete the education requirements and pay the costs of the proceeding. Pursuant to provision six (6) of the Order, Respondent's license may be suspended without further notice and therefore the following is entered:

ORDER

2. The suspension shall remain in effect until Respondent has paid the costs of the proceeding in full, with accrued interest, and has demonstrated successful completion of the education requirements of the Order.
