RE: Application # 521676; Petition for Re-Licensure following Revocation

Dear Ms. Howard:

The Wisconsin Board of Nursing (Board) has reviewed your application/petition for re-licensure and has decided to grant you a limited license. As you are aware, Board Order 0002301, dated February 14, 2013, provides the Board with authority to limit your license "in a manner to address any concerns the Board has as a result of the conduct set out in the findings of fact..." See Page 3 of Board Order. The enclosed Order Granting Limited License contains limitations the Board finds necessary to address concerns the Board has as a result of your conduct that led to the revocation of your license.

If you believe that the limitations imposed by the Board are inappropriate, you may seek a class 1 hearing pursuant to Wis. Stat. § 227.01(3)(a) in which you shall carry the burden to show that the Board's decision is arbitrary or capricious. The limitations on your license shall remain in effect until there is a final decision in your favor on the issue.

Sincerely,

Member of the Board
Wisconsin Board of Nursing
