The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Dentistry Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Patrick J. Crawford, D.D.S., (DOB October 19, 1960) is licensed in the State of Wisconsin to practice dentistry, having license number 3916-15, first granted on June 2, 1988 and current through September 30, 2015. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 7851 Cooper Road, Kenosha, Wisconsin 53142.

2. At all times relevant to this proceeding, Respondent was employed as a dentist at a clinic located in Kenosha, Wisconsin.

3. On September 4, 2013, Patient A, a minor, presented to Respondent's clinic in pain with a swollen right cheek.

4. Respondent determined that Patient A had a 1 cm x 1 cm abscess due to extreme decay of primary molar #B which needed to be extracted.

5. Respondent verbally informed Patient A's mother that #B would need to be extracted to allow the abscess to drain.

6. Patient A was resistive to treatment and had to be controlled by his father during the procedure.

7. Respondent decided to extract #I, not #B, because it was in similar condition as #B and it was easier to numb. Respondent also decided to fill #A.

8. Respondent did not inform Patient A's parents prior to changing his course of action.

9. Later that day Patient A's parents noticed that the swelling had not gone down and Patient A was still in pain. They looked inside Patient A's mouth and saw that the tooth (#B) next to the abscess was still there.

10. Patient A's father called Respondent's emergency line and Respondent informed Patient A's father that he wasn't able to extract #B because it was difficult to numb because of the abscess coupled Patient A's lack of cooperation and behavior, but chose to extract #I and fill #A. Respondent instructed Patient A's father to bring Patient A back to the clinic the following day to finish the procedure.

11. Patient A's certified treatment records revealed the following discrepancies:

- a. Respondent failed to obtain a signed informed consent form from Patient A's parents regarding the treatment plan.
- b. Respondent failed to obtain a signed informed consent form from Patient A's parents regarding Respondent's decision to extract #I and fill #A.
- c. Respondent failed to document the need for treatment. There is no indication of the number of cavities, the state of the oral cavity or treatment recommendations.

12. Respondent's handwritten progress notes appear to be written after the fact even though they are dated on the date of service.

13. The progress notes are written in a manner that provides an explanation of Respondent's interpretation of the events rather than notes of what actually happened on the day of service.

14. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Wisconsin Dentistry Examining Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 447.07, and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Patrick J. Crawford, D.D.S., engaged in unprofessional conduct as defined in Wis. Admin. Code § DE 5.02(5), by practicing in a manner which substantially departs from the standard of care ordinarily exercised by a dentist which harms or could have harmed a patient.

3. As a result of the above violations, Patrick J. Crawford, D.D.S., is subject to discipline pursuant to Wis. Stat. § 447.07(3)(a).
