This Reports of Decisions document was retrieved from the Wisconsin Department of Safety and Professional Services website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

On December 10, 2015, the Wisconsin Board of Nursing ("Board") issued a Final Decision and Order ("Order") suspending Respondent's nursing license for an indefinite period. Respondent has been granted a stay of suspension and her nursing license is currently limited with certain terms and conditions.

Information has been received that demonstrates Respondent did not obtain pre-approval for her work-setting, did not provide a copy of the Order to all supervisory personnel, and continued to work as a nurse with access to controlled substances after the Order was issued. Respondent is therefore in repeated violation of the terms of the Order and, as a result, the following is entered:

ORDER

1. The stay of suspension is removed and Respondent's nursing license (#157776-30) is hereby SUSPENDED until further notice.
2. Respondent may petition the Board or its designee for reinstatement of the stay upon demonstrating continuous compliance with the terms and conditions of the Order for at least the most recent three (3) months.
3. This order is effective immediately.
