The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Hannah P. Grover, L.P.N., (dob December 6, 1980) is licensed in the State of Wisconsin as a practical nurse, having license number 311153-31, first issued on May 13, 2009 and current through April 30, 2017. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 1842 Paddock Place, Fitchburg, Wisconsin 53575.

2. At all times relevant to this proceeding, Respondent was employed as a practical nurse with an agency and was contracted to work at a rehabilitation facility (Facility), located in Beloit, Wisconsin.

3. On February 11, 2011, Respondent was assigned, through her agency position, to provide skilled nursing care to residents at the Facility during the evening. It was her first day working at the Facility.

4. At approximately 7:45 p.m., toward the end of medication pass, Respondent told a certified nursing assistant that she was going on her break. Respondent had not been able to take a break or lunch since beginning her shift. Respondent left her medication cart unsecured with the keys on the cart, which is how Respondent stated she found it.

5. At approximately 8:30 p.m., Respondent still had not returned from break and staff became concerned regarding Respondent's whereabouts. The charge nurse took over Respondent's duties. Staff attempted to contact Respondent, but she was unable to be reached and she never returned.

6. While Respondent was present during her shift, she provided skilled nursing treatments to one patient. Respondent failed to collect pulse oximetry readings, address wound treatments, dispense medications, and monitor diabetic residents.

7. According to the director of nursing, no residents had any negative outcomes that resulted from Respondent's lack of care and absence.

8. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

3. As a result of the above violations, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1)(b) and (c)².
