The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Elizabeth M. Krajewski, R.N., (dob April 20, 1979) is licensed in the State of Wisconsin as a professional nurse, having license number 141695-30, first issued on August 2, 2002 and current through February 28, 2018. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 164 East Fairfield Drive, Oak Creek, Wisconsin 53154.

2. At all times relevant to this proceeding, Respondent was employed as a professional nurse at an assisted living facility (Facility), located in Milwaukee, Wisconsin.

3. On October 7, 2015, Respondent became upset when she learned that a resident, who was suspected of having bed bugs, was not placed in isolation.

4. During a conversation afterward, a co-worker noticed that Respondent's eyes were glazed, her speech was slurred and she had the odor of alcohol on her person.

5. Respondent stated that she had a panic attack regarding the bed bug situation and consumed some anti-anxiety medicine. Respondent stated that her eyes may have been glazed because she was working nights and the complaint about slurred speech was probably the result of the anti-anxiety medicine.

6. Respondent admitted that prior to her shift she and her fiance had gone out to eat and she consumed two cocktails.

7. Based upon the assertion that the Respondent was impaired, the assistant director of nursing asked Respondent to take a drug and alcohol test and suspended Respondent pending the outcome of the tests.

8. Respondent failed to submit to the drug and alcohol testing and was terminated.

9. Respondent has suffered back pain since she was in the eighth grade. As a result of treatment, Respondent has become opiate tolerant.

10. Respondent also has no feeling in her right quadriceps and her right knee gives out causing her to fall.

11. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Wisconsin Board of Nursing has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07, and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Elizabeth M. Krajewski, R.N., engaged in unprofessional conduct as defined by Wis. Admin. Code § N 7.03(6)(e), by practicing nursing while under the influence of alcohol, illicit drugs, or while impaired by the use of legitimately prescribed pharmacological agents or medications.

3. By the conduct described in the Findings of Fact, Elizabeth M. Krajewski, R.N., engaged in unprofessional conduct as defined by Wis. Admin. Code § N 7.03(6)(h), by being unable to practice safely by reason of physical illness or impairment.

4. As a result of the above conduct, Elizabeth M. Krajewski, R.N., is subject to discipline pursuant to Wis. Stat. § 441.07(1g)(b) and (d).

ORDER

1. The attached Stipulation is accepted.

SUSPENSION

- A.1. The license of Elizabeth M. Krajewski, R.N. (license number 141695-30), to practice as a nurse in the State of Wisconsin is **SUSPENDED** for an indefinite period.
- A.2. The privilege of Elizabeth M. Krajewski, R.N., to practice as a nurse in the State of Wisconsin under the authority of another state's license pursuant to the Nurse Licensure Compact is also **SUSPENDED** for an indefinite period.
- A.3. During the pendency of this Order and any subsequent related orders, Respondent may not practice in another state pursuant to the Nurse Licensure Compact under the authority of a Wisconsin license, unless Respondent receives prior written authorization to do so from both the Wisconsin Board of Nursing and the regulatory board in the other state.
- A.4. Respondent shall mail or physically deliver all indicia of Wisconsin nursing licensure to the Department Monitor within fourteen (14) days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/index.htm>.
- A.5. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active nursing for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

STAY OF SUSPENSION

- B.1. The suspension shall not be stayed for the first three (3) months, but any time after three (3) months the suspension may be stayed upon Respondent providing proof, which is determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order for the most recent three (3) consecutive months.
 - a. Respondent may petition the Board for the stay of the suspension under the following terms and conditions:
 - 1) Respondent shall have, at Respondent's own expense, undergone an assessment by a physician experienced in evaluating health care practitioners' fitness for duty:
 - i. The provider performing the assessment must not have treated Respondent and shall have been approved by the Board, with the

opportunity for the Division of Legal Services and Compliance to make its recommendation, prior to the evaluation being performed; and

- ii. Within fifteen (15) days of the completion of the assessment, a written report regarding the results of the assessment shall be submitted to the Department Monitor at the address below.
- 2) Prior to evaluation, Respondent shall provide a copy of this Final Decision and Order to the health care provider.
 - 3) Respondent shall execute necessary documents authorizing the Division to obtain records of evaluation, and to discuss Respondent and her case with the evaluator. Respondent shall execute all releases necessary to permit disclosure of the final evaluation report to the Board or its designee. Certified copies of the final evaluation report shall be admissible in any future proceeding before the Board.
 - 4) Respondent shall identify and provide the evaluator with authorizations to communicate with all physicians, mental health professionals, and facilities at which Respondent has been treated or evaluated.
 - 5) Respondent shall comply with any and all reasonable requests by the evaluator for purposes of scheduling and completing the evaluation, including additional testing the examiner deems helpful. Any lack of reasonable and timely cooperation, as determined by the examiner, may constitute a violation of an order of the Board.
 - 6) Respondent is responsible for timely payment of the costs of the examination. Payment shall be made directly to the evaluator.
 - 7) Respondent must provide proof sufficient to convince the Board that Respondent is able to practice with reasonable skill and safety of patients and the public and does not suffer from any condition which prevents Respondent from practicing in that manner;
 - 8) If the Board determines that Respondent is fit to practice, the Board may nonetheless limit Respondent's license in a manner to address any concerns the Board has as a result of the conduct set out in the Findings of Fact and to address any recommendations resulting from the assessment, including, but not limited to:
 - i. Psychotherapy, at Respondent's expense, by a therapist approved by the Board or its designee, to address specific treatment goals, with quarterly reports to the Board by the therapist.

- ii. Additional professional education in any identified areas of deficiency.
 - iii. Restrictions on the nature of practice or practice setting or requirements for supervision of practice, by a professional approved by the Board, with quarterly reports to the Board by the supervisor.
 - 9) If the Board determines that Respondent is not fit to practice, the Board may suspend Respondent's license until Respondent provides proof sufficient to convince the Board that Respondent is able to practice with reasonable skill and safety of patients and the public and does not suffer from any condition which prevents Respondent from practicing in that manner. In the alternative, the Board may limit Respondent's license in a manner to address any concerns the Board has as a result of the conduct set out in the Findings of Fact and to address any recommendations resulting from the assessment, including, but not limited to:
 - i. Psychotherapy, at Respondent's expense, by a therapist approved by the Board or its designee, to address specific treatment goals, with quarterly reports to the Board by the therapist.
 - ii. Additional professional education in any identified areas of deficiency.
 - iii. Restrictions on the nature of practice or practice setting or requirements for supervision of practice, by a professional approved by the Board, with periodic reports to the Board by the supervisor.
 - b. If Respondent believes that the Board's refusal to end the suspension is inappropriate or that any limitation imposed or maintained by the Board or its designee under paragraph 2c is inappropriate, Respondent may seek a Class I hearing pursuant to Wis. Stat. § 227.01(3)(a), in which the burden shall be on Respondent to show that the Board's or designee's decision is arbitrary or capricious. The suspension or limitations on Respondent's license shall remain in effect until there is a final decision in Respondent's favor on the issue.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.

- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
- a. Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
 - b. Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within sixty (60) days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

CONDITIONS AND LIMITATIONS

Treatment Required

- C.1. Respondent shall enter into, and shall continue, drug and alcohol treatment with a treater acceptable to the Board or its designee (Treater). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater.

If Treater is unable or unwilling to serve as required by this Order, Respondent shall immediately seek approval of a successor Treater by the Board or its designee.
- C.4. The rehabilitation program shall include individual and/or group therapy sessions at a frequency to be determined by Treater. Therapy may end only with the approval of the Board or its designee, after receiving a petition for modification as required by D.4., below.

These reports shall assess Respondent's progress in drug and alcohol treatment. Treater shall report immediately to the Department Monitor any violation or suspected violation of this Order.

The releases shall allow the Board, its designee, and any employee of the Department of Safety and Professional Services, Division of Legal Services and Compliance to: (a) obtain all specimen screen results and patient health care and treatment records and reports, and (b) discuss the progress of Respondent's treatment and rehabilitation with Treater and treatment facilities and personnel, laboratories and collection sites. Copies of these releases shall immediately be filed with the Department Monitor.
- C.10. Respondent shall abstain from all use of over-the-counter medications or other substances (including but not limited to natural substances such as poppy seeds) which may mask consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation. It is Respondent's responsibility to educate herself about the medications and substances which may violate this paragraph, and to avoid those medications and substances.
- C.11. Respondent shall report to Treater and the Department Monitor all prescription medications and drugs taken by Respondent. the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.

- C.12. Respondent shall provide the Department Monitor with a list of over-the-counter medications and drugs that they may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Respondent's treatment and rehabilitation, shall not be taken unless ordered by a physician and approved by Treater, in which case the drug must be reported as described in paragraph C.11.

Drug and Alcohol Screens

- C.15. The Approved Program shall require the testing of specimens at a frequency of not less than forty-nine (49) times per year, for the first year of this Order. After the first year, Respondent may petition the Board on an annual basis for a modification of the frequency of tests. The board may adjust the frequency of testing on its own initiative at any time.
- C.16. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- C.17. In addition to any requirement of the Approved Program, the Board or its designee may require Respondent to do any or all of the following: (a) submit additional specimens; (b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.

These reports shall assess Respondent's work performance, and shall include the number of hours of active nursing practice worked during that quarter. If a report indicates poor performance, the Board may institute appropriate corrective limitations, or may revoke a stay of the suspension, in its discretion.
