The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

5. Patient A returned to see Licensee on December 10, 2014. Licensee's charting for the visit reflects that he renewed Patient A's prescription for hydrocodone, and for the first time indicates a dosage: 10/325 mg every six hours. However, Licensee did not implement any measures to prevent diversion and/or abuse.

6. Patient A returned to see Licensee for monthly visits throughout 2015 (twice in April) and Licensee's charting for those visits reflects that he renewed Patient A's prescription for hydrocodone, but did not chart the dosage prescribed nor did he implement any measures to prevent diversion and/or abuse.
