The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Licensee Jennifer Rucker, R.N., (dob February 2, 1982) is licensed in the State of Wisconsin as a professional nurse, having license number 149664-30, first issued on February 3, 2005 and current through February 28, 2018. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 45-074 Lilipuna Road, Apartment B, Kaneohe, Hawaii 85210.

2. Upon information and belief, Respondent's current address is 455 West Baseline Road, Mesa, Arizona 85210.

3. At all times relevant to this proceeding, Licensee was employed as a professional nurse at a medical hospital (Hospital), located in Wausau, Wisconsin.

4. On September 19, 2015, Licensee was caring for Patient A. During morning rounds that day, the physician discontinued the PCA (patient-controlled analgesia) and replaced it with PRN (as needed) pain medications. The physician told Respondent he would enter orders for morphine 2-5 mg or Dilaudid IV. The physician also stated that if the order needed to be changed per Licensee discretion, the Licensee could submit an order for him to sign.

5. At about 9:00am, Licensee gave Patient A 2 mg morphine. However, it was inadequate to control the pain, so she gave another 2 mg at about 4:00pm. Licensee failed to document the medicine administration in the medication administration record (MAR).

6. Licensee admitted that she did not chart the administration since the hospital was very busy that day and she forgot to chart until her shift was over.

7. During the Department investigation, Respondent admitted to failure to document the medications and was also able to tell the Department investigator several risks of failing to document administration of medications.

8. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.
