SHEBOYGAN FALLS WI 53085

On August 16, 2012, the Wisconsin Board of Nursing ("Board") issued a Final Decision and Order ("Order") limiting Respondent's professional nursing license (#161594-30) with certain terms and conditions, including but not limited to, the following:

Respondent shall not consume any controlled substance listed in Schedule I-IV without a valid prescription of an authorized prescriber, and for a valid medical purpose.

Pursuant to the Order, the Board in its discretion may impose additional conditions and limitations or other additional discipline for a violation of any of the terms of the Order by Respondent.

On October 11, 2018, the Board reviewed the information of record which included the following:

1. On or about August 17, 2018, Respondent requested and was approved to work as a registered nurse at Sheboygan Health Services.
2. Upon request by the Department Monitor, Respondent submitted to a 14-panel hair test on September 7, 2018. The test results were positive for tramadol.
3. Respondent was contacted by the Department Monitor and denied consumption of tramadol.
4. A follow-up test conducted on October 2, 2018, confirmed the positive results.
5. Tramadol is a Schedule IV Controlled Substance. Respondent does not hold a valid prescription for tramadol.

On October 11, 2018, the Board found that Respondent violated the Order by consuming a Schedule IV controlled substance without a valid prescription of an authorized prescriber. The Board additionally finds this violation to be conduct imperiling public health, safety and welfare and, as a result, the following is entered:

ORDER

1. Respondent's professional nursing license is hereby SUSPENDED and further LIMITED as follows:

#### SUSPENSION

- A.1. Respondent's professional nursing license (#161594-30) is hereby SUSPENDED for an indefinite period.
- A.2. Respondent shall mail or physically deliver all indicia of Wisconsin licensure to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/index.htm>.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time.

#### STAY OF SUSPENSION

- B.1. The suspension shall not be stayed for the first thirty (30) days, but any time after thirty (30) days the suspension may be stayed upon Respondent providing proof, which is determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order for the most recent thirty (30) days.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. A substantial violation includes, but is not limited to, a positive drug or alcohol screen. A repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit the Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
  - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be

reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.

- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.

After the first year, Respondent may petition the Board on an annual basis for a modification of the frequency of tests. The board may adjust the frequency of testing on its own initiative at any time.
- C.15. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
