This Reports of Decisions document was retrieved from the Wisconsin Department of Safety and Professional Services website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

WEST BEND WI 53095

I, Mary Kuntz, have applied for licensure in Wisconsin as a Registered Nurse by Endorsement. I have not been employed in a position which requires a nurse license within 5 years since the date of my application for licensure by endorsement. Therefore, I request a LIMITED license pursuant to Wis. Admin. Code § N 2.21(3) to enable me to complete a board-approved nursing refresher course.

I understand that the LIMITED license will be for the SOLE PURPOSE of enabling me to complete the refresher course and that I am not permitted to use the limited license granted herein to engage in any employment as a nurse.

I understand that pursuant to Uniform Nurse Compact, this LIMITED license for the SOLE PURPOSE of enabling me to complete the refresher course is limited to Wisconsin during the pendency of this limitation.

The limited license shall be valid for ONE (1) YEAR from the date of issuance. Upon successful completion of the nursing refresher course, I understand that I may petition the board for issuance of a full license by submitting documentation demonstrating completion of a Board-approved refresher course. If the refresher course is not completed within this timeframe, I must reapply for a limited license.
