Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

You are hereby notified that your Dwelling Contractor Certification (DC-070800022, Customer ID: 1080992, 1080994) is suspended for seven days starting January 28, 2019, and expiring February 4, 2019.

The basis for this suspension is you were negligent in your responsibilities as a Dwelling Contractor at 1060 N. Knowles Avenue, New Richmond, WI 54017. As a dwelling contractor you are responsible for obtaining the proper permit prior to commencing construction. An investigation determined that you never obtained a permit for the work performed at the above address. The City of New Richmond confirmed it required a permit for re-siding and re-roofing for at least 15 years. It is your responsibility to confirm if a permit is required. New Richmond's website clearly states a permit is required for the work you performed.

The above conduct constitutes a violation of a state law under Wis. Admin. Code § SPS 305.31(4)(b). This action was a negligent act and is a basis for discipline pursuant to Wis. Admin. Code § SPS 305.10(a)(3).

After the suspension, you may request, in writing, to have your credential reinstated. The reinstatement process is set forth in Wis. Admin. Code § SPS 305.10(1)(f). You can email your request to dspscredtrades@wisconsin.gov.

You have the right to request a hearing on the suspension by sending a request for hearing to the Department of Safety and Professional Services, Chief Legal Counsel, P.O. Box 7190, Madison, Wisconsin 53707-7190, which must be received by the Department no later than 30 days from the date of mailing of this Notice. Any hearing on the suspension will be held in accordance with the requirements set forth in Wis. Stat. ch. 227.

Dated at Madison, Wisconsin on December 18th, 2018.
