## Enroll for Wisconsin residents

If you would like to take advantage of the training we offer, you can register over the phone and pay with a credit card. Out of state residents may also register over the phone. You do not need to have your permit to enroll in our program. You will, however, need to pass the written tests very soon after starting your training. If you want help preparing for the written tests we can do that. Not having the permit will delay your road test but there is other training that can be done in advance. We have copies of the state CDL manual to prepare for the test and we have copies in our office or you can download one from our website. For practice tests we recommend [cdltest.co](http://cdltest.co). There are several other practice permit tests available online. Start your training with us. Just give us a call and let us know when you would like to start and you are all set.

**Call us at 715-245-4672 to reserve a space in class for your training!**

*Closed on Holidays such as Labor Day and Memorial Day.*
