Sept 28th - 30th, 2018 CE:

Veterinary Dental Seminar: "Taking a bite out of dentistry - Team Approach".

Doctors, do not forget to bring with you the only other licensed professional that is part of the TEAM...your CVT or LVT!!!!

This CE seminar will provide the attendee with the proper knowledge to provide a thorough and competent dental examination, evaluation, imaging, dental extractions, and

addressing soft tissue masses. Attendees will choose which hands on track they would like to follow (Canine or Equine).

Speakers: Dr. Travis Henry (Dip.AVDC-Canine&Equine); Dr. Molly Rice (Dip.AVDC-Equine) and Pedro Luis Rivera (Dip.ACVSMR).
