Are you interested in a rewarding career that has endless opportunities?! Come to Midwest Truck Driving School!! We are now accepting applications for our upcoming classes!

We specialize in Class A Commercial Driver's License training, along with Class B and School Bus. We go above and beyond when it comes to the transportation industry and teach you and expose you to real life, everyday situations!

We pride ourselves on quality not quantity so we keep our classes small so there is more one on one time with our instructors than your average school.

We have been around for over 20 years, training students to become the best drivers of America with our certified professional instructors.

Not from around the area? That's fine, we have lodging options available to make getting your commercial driver's license away from home easier for you.

Don't have the funds? That's okay too, as we work with many funding agencies, that may be able to help you, just give us a call and we will send you in the right direction!!

We also honor our countries heroes, by serving our veterans from any branch of the military. It's now our turn to serve you and protect your future!

We have recruiters that come from all around the country to our school. They recruit and hire students right from the class, some even before they graduate!

To apply students may visit MidwestTruckDrivingSchool.com and apply with our online application found in Admissions under the School Information tab. The requirements for anyone interested is very simple; you must be at least 18 years of age or older, possess a valid driver's license, and can pass a DOT physical; it's that simple!

We offer a four-week training program that we cater to individual student needs. Classes start every three weeks. Seating is limited so don't hesitate to apply!

Call us today and we can GET YOUR CAREER IN GEAR!! (906)-789-6311
