Online Business School – Get Ahead In Your Career Wherever You Are

Reaching that next level of success shouldn't mean sacrificing rest or time with family. We've designed our online business degree programs for flexibility with a busy schedule so you can conveniently absorb the material on your own time. It's an affordable, award-winning approach built for working professionals like you.

Choose Your Path To Advancement

Whether you're taking a single online business course for professional development or aiming for a seat in upper management, there's a program for you. Gain the knowledge and skills you'll need for further success in careers ranging from accounting to marketing.

We're Accomplished In Moving Others Forward

We take our mission to help students advance in their careers very seriously. In fact, it's something our online business school has been recognized for year after year. Rest assured, at the New England College of Business, you'll receive a quality education at a great value.

View Our Awards

"What's the most important thing to do? Invest in your most important asset."

Chris Oddleifson, Rockland Trust

You Could Save 25% On Tuition

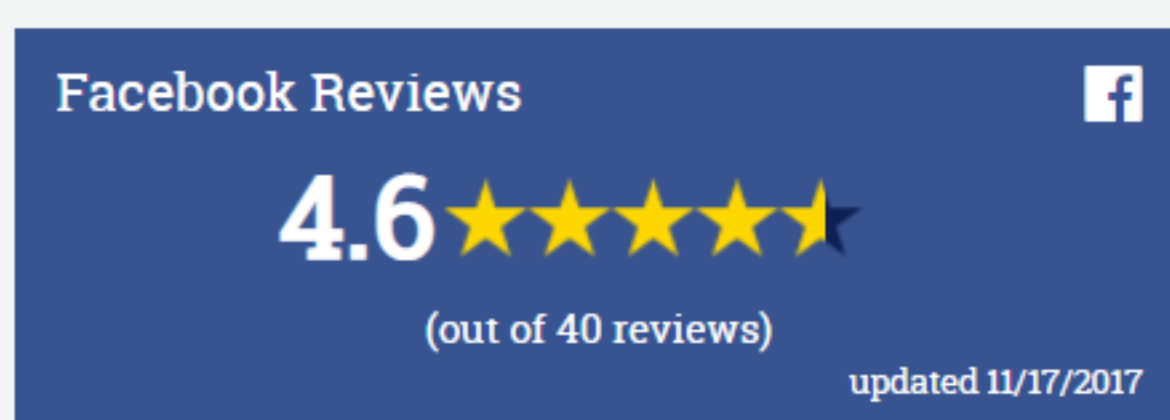

We're already the most affordable private college in New England, according to the U.S. Department of Education College Affordability and Transparency Center (2011–2017), but employees and family members of Corporate Partners get an additional 25% tuition reduction with continuous enrollment in our online business degree programs.

Corporate Partnership Program

What people are saying about NECB

"This institution is all about giving its students a quality education and making sure they succeed!"

– Alvonta Primm
