## Financial

**TUITION AND FEES:** The tuition and fees for your program are included in the Tuition and Fees Supplement located at <https://www.purdueglobal.edu/tuition-financial-aid/tuition-reduction/>. Students who take courses offered by other schools within Purdue Global may be charged a different tuition rate than that for their program of study. The tuition per credit hour/term is subject to change. Tuition and fees are subject to change after 30 days' advance notice. This amount does not include costs incurred due to program changes or repeated classes, fundamental courses, or multiple concentrations/population focus areas. Students outside the United States or U.S. Territories will be responsible for the cost and the shipment of instructional materials including returns and payment of customs duties or fees.

**REFUNDS:** Refer to the Refund Policy section of this Enrollment Agreement for details.

**DROPPING COURSES:** Provided students remain enrolled in their program, they may drop a course prior to or during the first 7 calendar days of the course without any financial obligation. Students who drop a course beyond the first 7 calendar days will incur 100 percent financial responsibility for the course.

**PURDUE GLOBAL PAYMENT PLAN:** The Purdue Global Payment Plan requires monthly payments. The terms and conditions of your Purdue Global Payment Plan are contained in your Purdue Global Payment Plan Promissory Note. The Purdue Global Payment Plan Promissory Note will be provided by the Financial Aid Office. The amount financed may change depending on the amount of federal financial assistance you actually receive. If the actual amount is less than expected, we will increase the amount financed to cover the gap and provide you with a revised Truth in Lending Disclosure Statement. You agree to pay the actual amount financed pursuant to the terms of the Purdue Global Payment Plan Agreement and revised Truth in Lending Disclosure.

**BILLING STATEMENTS:** Students receive monthly billing statements in hard copy and/or electronic format.

**PROOF OF HIGH SCHOOL GRADUATION:** Purdue Global requires students to attest to proof of graduation from high school or its equivalent. If selected for verification, students must provide official proof of graduation within 30 days. If Purdue Global previously received official proof of high school graduation, the student will not be selected for verification as a returning student.

## Proof of Prior Degree

Students enrolled in a program for which a prior degree is required must furnish an official transcript indicating receipt of a comparable degree from a college or university accredited by a regional or national accrediting agency recognized by the U.S. Department of Education by the last day of the first term. Prior to enrollment, students enrolled in a graduate program, unless otherwise noted, must submit an unofficial transcript indicating receipt of a bachelor's degree from a college or university accredited by a regional or national accrediting agency recognized by the U.S. Department of Education. In some cases, a student's graduate degree may also be acceptable. By the last day of the first term, students must provide Purdue Global with an official copy of the transcript. If this document is not submitted by the last day of the first term, the student will be withdrawn from Purdue Global and blocked from reentry and the student's academic credentials will be withheld. All conditions of enrollment must be met prior to any Title IV aid being originated or paid.

## For CCAF Requirements and GEM Program Participants

Certain courses offered by Purdue Global are available to approved GEM Program participants. Upon successful completion of a course, the GEM Program participant can transfer coursework for which a grade of "C" or better was received toward a degree at the Community College of the Air Force if the course for which the student is seeking to transfer credits earned is part of the Purdue Global-approved GEM Program course offerings. GEM Program participants are under no obligation to enroll at Purdue Global upon completion. Participants wishing to enroll at Purdue Global must complete a new Enrollment Agreement, which will supersede this Agreement. In addition, students may also take additional courses to meet CCAF requirements.

## International Applicants

International applicants may be subject to further requirements. International applicants should consult the International Applicants policy within the Admissions Information section of the Purdue Global Catalog, as well as program-specific requirements.

## Graduation Requirements

The candidate for graduation must:

1. Complete all requirements for his or her program of study within the maximum time frame permitted and attain a cumulative grade point average (CGPA) for the program as defined in the Purdue Global Catalog,
2. Return all property belonging to Purdue Global, and
3. Fulfill all financial obligations to Purdue Global prior to graduation, unless previous satisfactory arrangements have been made, and attend graduate and financial aid exit interviews, if applicable.

If satisfactory financial arrangements are not made, the graduation credential will be withheld.

## Additional Technology Requirements for Courses

Along with the Technology Requirements listed in the Catalog, all students should review and be aware of any additional software and hardware requirements for their classes prior to enrollment. For a complete listing of additional requirements, visit <https://www.purdueglobal.edu/admissions/technology-requirements/hardware-software/>.

## Refund Policy

Applicants who are:

- dismissed as a result of failing to meet the minimum entrance assessment score; or
- undergraduate students who choose to withdraw by the end of week 3 of the first term (within Purdue Global Commitment trial period);

shall be entitled to a refund of all monies paid, with the exception of the nonrefundable application fee.

**EMPLOYER ALLIANCE:** Students who are enrolling through an employer alliance agreement should contact their employer for Refund Policy details.

**CANCELLATION OF ENROLLMENT AGREEMENT: Three-Day Cancellation**—An applicant who provides written notice of cancellation within three days (excluding Saturday, Sunday, and federal and state holidays) of signing an enrollment agreement is entitled to a refund of all monies paid. Campus students who have not visited Purdue Global prior to enrollment will have the opportunity to withdraw without penalty within 3 business days either following attendance at a regularly scheduled orientation or following a tour of the Purdue Global facility and an inspection of the equipment. After the 3-business day period, Purdue Global will retain the application fee. No later than 45 days of receiving the notice of cancellation, the school shall provide the 100 percent refund (less application fee).

**INDIANA RESIDENTS – Six-Day Cancellation**—An applicant who provides written notice of cancellation within six days (excluding Saturday, Sunday, and federal and state holidays) of signing an Enrollment Agreement is entitled to a refund of all monies paid. No later than 30 days of receiving the notice of cancellation, the school shall provide the 100 percent refund.

**WISCONSIN RESIDENTS** – You may cancel your Enrollment Agreement without any penalty or obligation by completing and signing the “Notice of Cancellation” form (attached to this Agreement) or by submitting any other written notice or by sending a telegram. You must deliver your completed and signed “Notice of Cancellation” form or other notice of cancellation to Purdue Global management by midnight of the third business day after signing the Enrollment Agreement, excluding Saturday, Sunday, and federal and state holidays. All refunds for cancelling the Enrollment Agreement will be made within 10 business days after Purdue Global receives the notice of cancellation.

**DROPPING COURSES:** Provided students remain enrolled in their program, they may drop a course prior to or during the first 7 calendar days of the course without any financial obligation. Students who drop a course beyond the first 7 calendar days will incur 100 percent financial responsibility for the course. If you are enrolled in an ExcelTrack program, dropping a course beyond the first 7 calendar days is not permitted.

## NOTICE TO STUDENTS

**Return of Title IV Financial Aid:** If you withdraw from Purdue Global up through the 60% point in any payment period and received federal financial aid in the form of grant or loan funds, federal law requires that Purdue Global, and in some cases, you, the student, return funds you did not earn to the U.S. Department of Education. A determination of the percentage of the payment period or term the student has completed used to calculate the amount of Title IV financial aid the student has earned will be based on the number of days the student completed up to the last date of academic attendance (or, in the case of ExcelTrack programs, the date of the last assessment attempted, or any other academic activity), divided by the total days in the payment period or term. (Any break of 5 days or more is not counted as part of the days in the term.)

A. To determine the amount of aid to be returned, subtract the percentage of aid earned from 100 percent of the aid that could be disbursed and multiply it by the total amount of aid that could have been disbursed during the payment period or term as of the date you withdrew. Funds are returned to the appropriate federal program based on the percentage of unearned aid using the following formula: Up through the 60% point in each payment period, a pro rata schedule is used to determine the amount of Title IV funds you have earned at the time of withdrawal. After the 60% point in the payment period, you have earned 100% of the Title IV funds you were scheduled to receive during the period. This calculation concerning federal financial aid is separate and distinct from the institutional refund policy and may result in your owing additional funds to Purdue Global to cover tuition charges previously paid by federal financial aid prior to your withdrawal. If you earned more aid than was disbursed to you, the institution would owe you a postwithdrawal disbursement, which must be paid within 180 days of your withdrawal.

B. If you plan to withdraw from Purdue Global, you should contact the Financial Aid Office or Business Office to determine the amount of funds that must be returned on your behalf, if applicable. All refunds due will be made within 45 days of your effective withdrawal date. The last date of actual attendance is used in calculating any refund amount. For ExcelTrack programs, the date of the last assessment attempted, or any other academic activity, is used. Refunds are allocated in the following order:

1. Unsubsidized Federal Stafford Loan
2. Subsidized Federal Stafford Loan
3. Federal Perkins Loan
4. Federal Parent (FPLUS) Loan
5. Federal Pell Grant
6. Federal Supplement Educational Opportunity Grant
7. Other Title IV assistance

8. Other state funds (unless otherwise mandated by the state)
9. Private and institutional aid
10. Student

**Return of Unearned Tuition Assistance:** Military Tuition Assistance (TA) is awarded under the assumption that you will attend school for the entire period for which the assistance is awarded.

If you withdraw or are dismissed, you may no longer be eligible for the full amount of TA funds originally awarded. Purdue Global will return any unearned TA funds on a proportional basis through at least the 60 percent point of the period for which the funds were provided, with unearned funds returned based upon your last date of attendance (LDA).

If you stop attending due to a military service obligation, and notify Purdue Global of that obligation, Purdue Global will work with you to identify solutions that will not result in a debt balance for the returned portion.

**Calculation:** When you officially withdraw or are dismissed from a course, the LDA will be used as the date of withdrawal.

Failure to start a course or attend a course for 21 consecutive calendar days (not including breaks; 14 calendar days for 6-week terms) is considered an “unofficial” withdrawal. In this case, Purdue Global will determine the LDA by reviewing the last date of activity within a course: for online courses, the LDA is the last date a student made a contribution to the class or submitted an assignment. For onsite courses, Purdue Global will reach out to the professor to determine the LDA.

Once LDA has been determined, Purdue Global will recalculate your TA eligibility based on days attended in accordance with the Military Students Using Tuition Assistance Refund Chart.

**Return of Funds:** Determining eligibility for TA is course specific. The start and end dates will be used for each course to determine eligibility. Using the Military Students Using Tuition Assistance Refund Chart below, Purdue Global will be required to return some or all of the TA awarded to you if you did not complete at least 60% of each course, possibly creating a debt balance on your Purdue Global ledger.

**WITHDRAWAL FROM PURDUE GLOBAL AFTER COMMENCEMENT OF CLASSES**

The effective withdrawal date for a student shall be when any of the following occur:

1. The date the student notifies Purdue Global of withdrawal or the date of withdrawal, whichever is earlier,
2. The beginning date of any term in which a student fails to start classes,
3. The last date of attendance following any 21 consecutive calendar days of absences (not including breaks; 14 days for students enrolled in 6-week terms; or, in the case of ExcelTrack programs, the date of the last assessment attempted, or any other academic activity),
4. The last date of attendance (or, in the case of ExcelTrack programs, the date of the last assessment attempted, or any other academic activity) prior to the date when Purdue Global terminates the student’s enrollment, or
5. The date that the student is scheduled to return from a leave of absence and fails to do so.

**New Mexico Residents:** On the student’s request, Purdue Global will provide, within 5 business days, an estimated accounting of any amounts retained, and will provide a final accounting following the Department of Education’s determination regarding any federal financial aid disbursed.

All refunds due will be made within 45 days of the student’s effective withdrawal date. The last date of actual participation (or, in the case of ExcelTrack programs, the date of the last assessment attempted, or any other academic activity) is used in calculating any refund amount.

If you begin a term, you are entitled to a prorated refund of tuition paid, up to the time 50% of the academic term has lapsed. Thus, if you withdraw from or are dismissed by Purdue Global any time after commencing instruction, but prior to 50% of the academic term, you will receive a prorated refund.

**Note:** If you are participating in the Purdue Global Commitment and elect to continue beyond the first 3 weeks, you are responsible for the full tuition amount for that term.
