

# 16<sup>th</sup> Annual 200-Hour Teacher Training Certification

Transform Your Life and the Lives of Others!

## *Become a Certified Yoga Teacher*

The RajaHatha School of Yoga™ first began offering 200-Hour Teacher Training in 2004 and has graduated teachers annually since, under the direction of Amy Pearce-Hayden, ERYT-500

The Level I Yoga Teacher Training is an intense 6-month program appropriate for students ready to explore how teaching Yoga can change their life and the lives of others, or for students who wish to go deeper into their personal Self-Realization through the traditional practice of Yoga.

Many students embark on this path for personal Self-transformation and healing, rather than having teaching as their primary goal. This RajaHatha Foundation Course and its instructors meet the standards of Yoga Alliance and awards National Certification upon successful completion.

*Build a foundation for lifelong healing and growth.*
