Tuition and Fees

I understand that I am responsible for tuition and fees pertaining to the program's required course of study. The tuition and fees contained in this Enrollment Agreement are subject to change. Changes in tuition and fees become effective fall term and apply to all students unless otherwise specified. In-state and out-of-state tuition are the same. Tuition, fees or program length may increase periodically. Such changes will increase the total cost of the program and may occur before I begin classes. In the event of a change in the tuition rate, fees, and/or program length, my program cost will be recalculated. Any changes to tuition, fees, or program length will be communicated to students. Re-entering students will be subject to the current the tuition rate at the time of re-enrollment. Unless otherwise stated, the cost of the one-time Application Fee, books, and other miscellaneous expenses are not included in tuition or fees. Each academic term is typically eleven (11) weeks for term programs and a payment period consists of (eighteen) 18 credits for non-term programs (the number of credits may vary by program). Special U.S. and overseas trips are voluntary and are not included in regular tuition and fees. Please refer to the Financial Information chapter of the University catalog for details regarding South University financial information policies. Subject to available financial aid, first term tuition and fees for new students become due at the point of entry. Thereafter, tuition and fees for each succeeding term is due at the start of each academic term. Failure to make proper payment unless otherwise cleared with the business office will result in dismissal from the University.

Initial Period of Enrollment and Cancellation Refund Policy for First-Time Undergraduate Students Enrolled in Fully-Online Programs

A first-time undergraduate student is a student who has not previously attended the school in an undergraduate program. A first-time undergraduate student is defined as a student who is not currently enrolled, is not a prior graduate from an undergraduate program, and does not have a prior enrollment in a withdrawn or dismissal status.

For students in graduate programs and undergraduate students who have previously attended please see the Refund of Tuition section of the enrollment agreement and catalog.

South University programs provide all new applicants seeking a first-time enrollment in any fully online undergraduate program of study, an Initial Period of Enrollment. The Initial Period of Enrollment allows first-time undergraduate students the ability to begin classes as a non-regular student, without any financial penalty, to determine if our school and educational program are right for the student. Students who enroll may cancel their enrollment prior to beginning classes or within twenty-one (21) calendar days following the first day of the student's first term.

A first-time undergraduate student who notifies the school in person, in writing, or simply stops attending and does not attend classes past the twenty-first (21st) calendar day following the first day of the term will be considered a cancellation. The school will refund any monies paid on the student's behalf and will remove any charges from the student's account. All refunds will be made within thirty (30) calendar days of the cancellation.

The chart below illustrates the days in the Initial Period for a non-regular student:

Class Days	Initial Period Days	Number of Calendar Days in Initial Period
April 28th = 1st Scheduled Class		1
April 29th	1st Day of Initial Period	2
April 30th	2	3

During a first-time student's Initial Period of Enrollment in an undergraduate program, the student is considered a non-regular student for federal student aid purposes and is not eligible to receive federal, state or any other types of aid during this period.

Please note, a first-time undergraduate student who is receiving military educational benefits may incur a debt with the benefit provider for educational benefits paid if the student cancels within the twenty-first (21st) calendar days following the first day of the first term (22nd day), or does not meet the admission requirements to the school.

Students who complete the Initial Period of Enrollment will be reviewed for full admission into the school as a regular student on the twenty-third (23rd) respective calendar day (the day after the first day of the term plus twenty-one (21) calendar days). Students are required to meet all school admission requirements and any additional programmatic admission requirements that apply to the student's program of study. Students completing the Initial Period of Enrollment who continue in the educational program will be subject to all student policies back to the first day of the student's first term, including withdrawal, refund and Return to Title IV policy should the student cease attending at a later date.

No adjustment will be made for students dropping individual classes after the drop/add period.

Refund Policy after Class Start*

If a student has not attended sixty (60) percent of the academic term, the school shall not retain or be entitled to payment for a percentage of any tuition and fees or other educational costs for a session that was scheduled to be taken during the relevant academic term but was not attended because the student withdrew from school prior to the commencement of the session. For example, if a student is enrolled for multiple sessions within the academic term but withdraws completely from school prior to the start of a subsequent session within the academic term, the adjustment of charges based on the student's last date of attendance will be applied to the applicable period of attended session(s) using the session(s) charges and the start date of the first attended session through the end date of the last attended session within the academic term. Charges for the unattended session(s) after the student's last date of attendance will be reversed if required based on the tuition charge pricing for the reduced academic credits for the term for the Institutional Refund Policy, or State Refund Policy where applicable. The reversal of applicable charges will be completed after the Return of Title IV Policy. For the Return of Title IV, the evaluation period and term charges will include the entire period in which the student registered.

If a student has attended sixty (60) percent of the academic term, the evaluation period and academic term charges include the entire period in which the student registered. Following the cooling off period but prior to the beginning of instruction, a student may withdraw from enrollment following the cooling off period, prior to submission by the student of any lesson materials and effective upon deposit of a written statement of withdrawal for delivery by mail or other means, and the institution shall be entitled to retain no more one hundred (100) dollars or five (5) percent in tuition or fees, whichever is less, as registration charges.

A student may withdraw after beginning instruction or submitting lesson materials, effective upon appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means. The institution shall be entitled to retain, as registration charges, no more than one hundred (100) dollars or five percent (5%) of tuition and fees, whichever is less. Additionally, institutions are eligible to retain tuition and fees earned at a pro-rata amount according to the following schedule, based on the date of student withdrawal as a percentage of the enrollment period for which the student was obligated. The withdrawal date is the last date of attendance as determined by the school from its attendance records.

On first class day	0%
After first day and within 10%	10%
After 10% and within 25%	50%
After 25% and within 50%	75%

An applicant requesting cancellation more than five (5) calendar days after executing the enrollment agreement and making an initial payment but prior to the first day of class is entitled to a refund of all monies paid.

The University requests that a student choosing to withdraw from the school after the commencement of classes is to provide notice in writing or in person to the Office of the Registrar. The notice must include the expected last date of attendance and be signed and dated by the student. A student will be determined to be withdrawn from the institution if the student violates the University's published attendance policy. The withdrawal date is the last date of attendance as determined by the school from its attendance records. All refunds will be submitted within thirty (30) calendar days of the determination of the withdrawal date. Refunds are calculated based on the student's last date of attendance or participation in an academic activity.

Refunds for Tuition and Refundable Fees will be determined as Follows:

Withdrawal during the second full week	50% of tuition and refundable fees

Wisconsin State Refund Policy

The Wisconsin State Refund Policy applies to students who are residents of the state of Wisconsin who withdraw from all courses from South University. The enrollment agreement is a legally binding contract upon acceptance of the student by the school unless the student cancels the enrollment agreement within three (3)-business days of acceptance by the school day cancellation period.

A student who withdraws or is dismissed after the three (3)-business day cancellation period, but before completing sixty (60) percent of the potential units in the current enrollment period, shall be entitled to a pro rata refund, as calculated below, less any amounts owed by the student for the current enrollment period. Pro rata refund shall be determined as the number of units remaining after the last unit completed divided by the total number of units in the enrollment period, rounded downward to the nearest ten (10) percent. Pro rata refund is the resulting percent applied to the total tuition and other required costs paid by the student for the current enrollment period. The withdrawal date is the last date of attendance as determined by the school from its attendance records.

The school will make every effort to refund prepaid amounts for books, supplies and other charges unless the student has consumed or used those items and they can no longer be used or sold to new students, or returned by the school to the supplier.

The school will issue refunds within forty (40) calendar days of the effective date of termination. A written notice of withdrawal is not required. The student is considered withdrawn from the school if the student fails to attend classes, utilize instructional facilities, or submit lessons, without providing an explanation to the school regarding the inactivity for fifteen (15) calendar days.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential units of instruction in the current enrollment period unless a student withdraws due to mitigating circumstances, which are those that directly prohibit pursuit of a program and which are beyond the student's control.

Cancellation Privilege

A student shall have the right to cancel enrollment for a program not exempted until midnight of the third (3rd) business day after written and final receipt of notice of acceptance from the school.

The student will receive a full refund of all money paid if the student cancels within the three (3)-business-day cancellation period; the student accepted was unqualified and the school did not secure a disclaimer; the school procured the student's enrollment as the result of false representations in the written materials used by the school or in oral representations made by or on behalf of the school. The school will issue refunds within three (3) days of cancellation.

Return of Title IV Funds

Term-Based Online Programs

In compliance with Federal regulations, the school will determine how much Federal student financial assistance the student has earned or not earned when a student who is a Title IV recipient withdraws from school.

The school will calculate the percentage and amount of awarded Federal student financial assistance that the student has earned if the student withdraws up through the sixty (60) percent point of the term or session if the student is only attending a session. If the student has completed more than sixty (60) percent of the term or session the student earns one hundred (100) percent of the Federal student financial assistance.

The amount earned will be based on the percentage of the term that was completed in days up to and including the last date of attendance. To calculate the amount earned, the school will determine the percentage by dividing the number of calendar days completed in the term up to and including the last date of attendance by the total number of calendar days in the term. If there is a scheduled break of five (5) or more days, it will reduce the term length and if the scheduled break is before the student's last date of attendance, it will also reduce the calendar days completed.

If the student received more than the amount of Federal student financial assistance earned, the difference will be returned to the Federal student financial assistance programs from which funds were received in the following order: Federal Unsubsidized Direct Loans, Federal Subsidized Direct Loans, Federal Perkins Loans, Federal Direct PLUS Loans, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant. Funds will be returned to the aid source within forty-five (45) calendar days of the date that the school determines that the student has withdrawn.

If more Federal student financial assistance has been earned than has been received, the student may be eligible for a post-withdrawal disbursement. The school will notify the student of any post-withdrawal disbursement loan funds for which the student may be eligible and what steps need to be taken for the Federal financial assistance funds to be received. The student or parent, in the case of the Federal PLUS Loans, needs to provide permission before any loan funds may be disbursed on the student's account or disbursed to the student or parent. However, the school may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school), and, with the student's authorization, the school may automatically use the grant funds for other educationally-related charges. Any balance of grant funds that may be available will be offered the student.

If Federal student financial assistance funds need to be returned, the institution must return a portion or all of the unearned funds equal to the lesser of:

- The institutional charges multiplied by the percentage of the unearned Federal student financial assistance funds; or
- The entire amount of unearned funds.

If there are remaining unearned Federal financial aid funds to be returned, the student must return any loan funds that remain to be returned in accordance with the terms and conditions of the promissory note. If the remaining amount of funds to be returned includes grant funds, the student must return any amount of the overpayment that is more than half of the grant funds received. The school will notify the student as to the amount owed and how and where it should be returned.

If students are only scheduled to attend Session I or Session II, the Return of Title IV Funds calculation as described will be applied to the applicable Session attended using the session start and end dates.

Jury Waiver and Agreement to Binding, Individual Arbitration

Applies to all students, except residents in the state of Washington, the state of California or the Commonwealth of Virginia.

Student and South University irrevocably waive our rights to a trial by jury and agree instead that any and all disputes, no matter how described, pleaded or styled, between me and South University (including its parent and past and present affiliates, employees, agents, and lenders) or related to any aspect of my relationship with or any act or omission by South University ("Claim") shall be resolved by individual binding arbitration, conducted by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules and applicable Supplementary Procedures for Consumer-Related Disputes ("AAA Rules") and in accordance with the terms of this Jury Waiver and Agreement to Binding, Individual Arbitration ("Arbitration Agreement"). Student can obtain a copy of the AAA Rules at www.adr.org or by calling 1-800-778-7879. This Arbitration Agreement, however, does not modify Student's right, if any, to file a grievance with any state educational licensing agency or accrediting body.

1. Student is strongly encouraged to first attempt to resolve the Claim by using the General Student Complaint Procedure outlined in the Catalog.
2. Neither party shall file or maintain any lawsuit in court against the other, and any suit filed in violation of this Arbitration Agreement shall be dismissed by the court in favor of arbitration conducted pursuant to this Arbitration Agreement. The parties agree that the moving party shall be entitled to an award of costs and fees of compelling arbitration.
3. The arbitration shall take place before a single, neutral arbitrator in the federal judicial district in which Student resides, unless the parties agree otherwise.
4. Student will be responsible for paying a portion of the AAA filing fee at the time his/her Claim is filed in an amount equal to \$200 or the applicable filing fee of the court of general jurisdiction in the district/circuit near me, whichever fee is less. The parties shall bear the expense of their own attorneys, experts and witnesses, unless the applicable law provides, and the arbitrator determines, otherwise.
5. Student agrees not to combine or consolidate any Claims with those of other students, such as in a class or mass action, or to have any Claims be arbitrated or litigated jointly or consolidated with any other person's claims. Further, the parties agree that the arbitrator shall have no authority to join or consolidate claims by more than one person. **I understand that I may opt out of this single-case provision by delivering via certified mail return receipt a written statement to that effect to the Vice President and Senior Counsel of South University/DCEH, 1400 Penn Avenue, Pittsburgh, PA 15222 within 30 days of my first execution of an Enrollment Agreement.**
6. The Federal Arbitration Act (FAA), including all its substantive and procedural provisions, and related federal decisional law shall govern this Arbitration Agreement to the fullest extent possible. All determinations as to the scope, enforceability, validity and effect of this Arbitration Agreement shall be made by the arbitrator, and not by a court. However, any issue concerning the validity of paragraph 5 above must be decided by a court, and an arbitrator does not have authority to consider the validity of paragraph 5. If for any reason, paragraph 5 is found to be unenforceable, any putative class or mass action may only be heard in court on a non-jury basis and may not be arbitrated under this Agreement.
7. The arbitrator shall have the power to award any remedy that directly benefits the parties to this Arbitration Agreement (provided the remedy would be available from a court under the law where the Arbitration Agreement was executed) but not the power to award relief for the benefit of anyone not a party to this Arbitration Agreement.
8. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.
9. Notwithstanding any provision in the Catalog or Enrollment Agreement, this Arbitration Agreement shall not be modified except by written agreement signed by both parties. Any or all of the provisions set forth in this Arbitration Agreement may also be waived by the party against whom the Claim is asserted, but such waiver shall be in writing, physically signed (not merely electronically signed) by the party waiving, and specifically identify the provision or provisions being waived. Any such waiver shall not waive or affect any other portion of the

Arbitration Agreement.

10. This Arbitration Agreement shall survive the termination of Student's relationship with South University.
11. If any part(s) of this Arbitration Agreement are found to be invalid or unenforceable, then such specific part(s) shall be of no force and effect and shall be severed, but the remainder of the Arbitration Agreement shall continue in full force and effect.

STUDENT UNDERSTANDS AND ACKNOWLEDGES THAT S/HE IS WAIVING HIS/HER RIGHT TO A JURY TRIAL, TO ENGAGE IN DISCOVERY (EXCEPT AS PROVIDED IN THE AAA RULES), AND TO LITIGATE THE DISPUTE OR CLAIM IN ANY COURT. FURTHER, STUDENT UNDERSTANDS AND ACKNOWLEDGES THAT S/HE WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS ACTION AGAINST SOUTH UNIVERSITY.

For this reason South University does not imply, promise, or guarantee that credits earned at South University will be accepted by another college or university.** If the credits or degree, diploma, or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. Student Acknowledgements & Signature

- I understand that South University's current Academic Catalog is accessible to me at <https://www.southuniversity.edu/Admissions/admission-info/Courses>. I understand that the Catalog contains information describing programs offered, academic requirements, and other important policies and procedures. I understand that it is my responsibility as a student to read and understand the catalog and to direct any questions I may have to my Admissions Representative.
- I acknowledge that I understand I am subject to termination of my program of study if my official transcript providing Proof of Graduation is not received within 10 weeks from the start of my first day of class. I am aware that financial aid will not be credited to my account if I cannot provide Proof of Graduation; therefore I will be responsible for any balance due on tuition or fees.
- I acknowledge that unofficial transcripts can be reviewed for Transfer of Credit if they are received before I begin classes and indicate institution name, program of study, course name, and grade received. However, if my official transcript showing potential Transfer of Credit is not received, I understand that I am subject to loss of Transfer of Credit from this source, which

could affect my financial aid plan and the length of my program.

- I acknowledge that my courses may be delivered via video conferencing, online, or in a day/evening/weekend format. I have discussed this course delivery option with my Admissions Officer and understand the implications regarding matriculation and course offerings.
- I understand that the tuition, fees and other charges stated in this Enrollment Agreement are subject to change. The per quarter tuition is subject to an increase at least once per calendar year, which will increase the total amount for the program. The adjustment to the per quarter tuition may occur before I begin classes and my program will be calculated using the new rate. Any changes to tuition and fees will be published to students.
- I understand that my enrollment and South University's obligations under this Enrollment Agreement – EXCEPT the cancellation, refund, and arbitration provisions – may be terminated by South University if I fail to comply with South University's attendance, conduct, academic, and/or financial requirements.
- I accept that, to the extent permitted by law, I am responsible for all reasonable collection agency and attorney fees incurred in attempting to collect my unpaid debts to South University.
- I understand that South University provides the average time to completion for continuously enrolled students for each credential level offered. This data is available at the average credit load, full-time or at full load. Changing programs, beginning programs at the mid-term start date, taking remedial courses, taking time off from coursework, registering for fewer hours or unsuccessful attempts at course completion will increase the total length of the program and overall cost of education from what is disclosed. Transfer credits awarded toward your program will likely decrease the overall length and cost of education.
- I understand that South University does not guarantee job placement to graduates upon program completion or graduation.
- South University's Refund and Cancellation policies have been reviewed with me. I understand that they are contained in this Enrollment Agreement and in the Academic Catalog. I had the opportunity to ask questions about these policies and am satisfied with the answers/explanation I received.
- South University's Student Consumer Information has been reviewed with me. I understand that this information is accessible to me at all times at <https://www.southuniversity.edu/online/student-consumer-information>. I had the opportunity to ask questions about this information and am satisfied with the answers/explanation I received.
- I understand that if I sign this Enrollment Agreement, I can choose not to start classes at South University and, therefore, will not incur any financial obligations except any non-refundable fees paid.
- I understand that if I have a criminal history, it may disqualify me from employment in my chosen field or a related field of employment.
- I understand that changes to this Enrollment Agreement will not be binding on either me or South University unless such changes have been acknowledged in writing by an authorized representative of South University and by me and/or my guardian (if applicable).
- I have read and understood this entire Enrollment Agreement. Before signing, I had an opportunity to ask questions, which have been answered to my satisfaction.
