The weather out side could be frightful, but you'll be toasty warm in a heated barn during our December clinic at Whispering Willow Farms. End the year with our 4 day equine massage certification program that gives you the necessary tools to become a successful equine massage therapist. Learn: massage techniques, pre & post event massage, and small business marketing. This clinic will teach you how to put together a complete program for each horse depending on their needs. This clinic is 40 CE credits for massage therapists in states that recognized animal massage.

The cost for the certification is \$1,000
