"I just started the medical coding & billing program...site is easy to navigate...the fact that I can work at my own pace is very appealing with my busy schedule. I highly recommend..."
Yasmine

Take the first step to earning up to \$38,000 a year!

Now you can train in the comfort of your own home to work in a medical office, or from home as your experience and skills increase. Make great money...up to \$38,000 a year with experience! It's no secret, healthcare providers need Medical Coding & Billing Specialists. In fact, the U.S. Department of Labor projects 13.9% growth by 2026, much faster than average, for specialists doing coding and billing for medical offices.

No previous medical experience required. Compare the money you can make!

Coders earn great money because they make a lot of money for the people they work for. Entering the correct codes on medical claims can mean the difference in thousands of dollars in profits for doctors, hospitals and clinics. Since each and every medical procedure must be coded and billed, there's plenty of work available for well-trained Medical Coding & Billing Specialists.
