GET HEAVY-DUTY TRAINING FOR A GREAT CAREER

We're the Manufacturer's Choice

UTI's exclusive DTNA Finish First program puts you in the driver's seat and on the road to a career as a Daimler Trucks service technician. With most of the training hands-on, the Finish First program offers comprehensive instruction from DTNA factory-trained instructors.

DTNA is the largest heavy-duty truck manufacturer in North America and a leading producer of medium-duty trucks and specialized commercial vehicles. Finish First students train on DTNA brands that include two of the most respected names in the trucking industry:

- + Freightliner Trucks
- + Western Star Trucks

Program Prerequisites

To qualify for the DTNA Finish First program, the following prerequisites must be met:

- + Active UTI student
- + All admission requirements for this program

It's Time to Finish First

The Finish First program provides you with a unique opportunity to secure a career within the DTNA service network.* Upon successful completion of the program, you'll get the chance to earn Expert Level certification in DTNA curriculum, giving you a competitive advantage over other entry-level technicians.

**UTI cannot guarantee employment or salary.*

Career Opportunities

With 500 DTNA service locations nationwide, a career as a DTNA service technician may be available where you want to live.

After passing written and hands-on qualification tests as well as DTNA-prescribed, module-based training, Finish First graduates have the opportunity to earn Expert Level certification in the following areas:

- + Heavy-duty truck systems
- + Electrical troubleshooting
- + Electronic systems
- + HVAC diagnostics
- + Business Class M2
- + Cascadia
