Invest in Your Future at UIU

UIU, a private, nonprofit university founded in 1857, offers a unique learning environment with eight-week terms in a variety of educational settings, including face-to-face courses at 25 centers across the country, a nationally recognized online program, and web- or paper-based self-paced programs.

Our flexible schedules are designed to fit your busy lifestyle and help you earn a college degree in the shortest amount of time possible. We work to maximize the transfer of previously earned college credits and award credit for military and work experience.

Our dedicated, local staff is here to guide you along the path toward completing your degree.
