KATHRYN M. LINDEMANN, R.PH.,
RESPONDENT.

ATTORNEY KRISTEN NELSON
GIMBEL, REILLY, GUERIN & BROWN LLP

MILWAUKEE, WI 53202

On February 27, 2019, the Wisconsin Pharmacy Examining Board ("Board") issued a Final Decision and Order ("Order") suspending Respondent's pharmacist license a period of three (3) years. Respondent was granted an immediate stay of the suspension, and her license is currently limited with certain terms and conditions including, but not limited to, completion of an evaluation by pre-approved psychiatrist or psychologist ("Evaluator") experienced in evaluating whether a health care professional is fit for practice.

The Order further states that if the Evaluator determines that Respondent is not fit for practice or is fit for practice with limitations, the Board or its designee may remove the stay on the suspension of the Respondent's license until Respondent provides proof sufficient to convince the Board or its designee that Respondent is able to practice with reasonable skill and safety of patients and the public and does not suffer from any condition which prevents the Respondent from practicing in that manner.

On July 17, 2019 the Board reviewed the results of an evaluation conducted by a pre-approved Evaluator and as a result, the following is entered:

ORDER

1. The stay of suspension is removed and Respondent's pharmacist license (#11521-40) is hereby SUSPENDED until further notice.

2. Respondent may petition the Board or its designee for reinstatement of the stay upon successful completion of a comprehensive neuropsychological evaluation, as recommended by the Evaluator in the May 24, 2019 evaluation report, and the Board has considered the results and any appropriate limitations on the Respondent's license.

3. This order is effective immediately.
