- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

You are receiving this forfeiture because you did not employ licensed electricians to perform the electrical work at 2095 Uphoff Road, Cottage Grove, Wisconsin and the work performed at the address was not code compliant. An investigation was opened regarding electrical code violations at the above address and it was determined during that investigation that you did not have a licensed electrician perform the work at the premises. Our inspector spoke to the property owner who stated that you performed all the electrical work. Further, an inspection conducted by DSPS found thirty-two (32) electrical code violations. Each code

violation carries with it a forfeiture of no less than \$25.00 nor more than \$500 as allowed by Wis. Stat. § 101.88.

For these reasons the administrative forfeiture of \$2,000.00 is assessed in accordance with Wis. Stat. § 101.88.
