#### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Licensee Nanette M. Reed, R.N., (DOB July 15, 1969) is licensed in the state of Wisconsin as a registered nurse, having license number 132266-30, first issued on June 4, 1999, and current through February 28, 2020. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is N4202 Country Club Drive, Brodhead, Wisconsin 53520.

2. Between August 2017, and February 2018, Licensee was employed as a registered nurse at a clinic (Clinic), located in Monroe, Wisconsin.

3. During this time, staff members at the Clinic had concerns regarding Licensee's practice and procedures with controlled substances.

4. On December 20, 2017, Licensee administered pain medication for one of Nurse A's patients without first communicating with Nurse A.

5. On January 13, 2018, Licensee pulled a vial of 100 mcg/ml of fentanyl from the Omnicell® automated dispensing cabinet and attempted to administer it to Patient B, who was Nurse C's patient. Licensee documented wasting 50 mcg/ml of fentanyl due to Patient B's refusal. There is no documentation for the remaining 50 mcg/ml of fentanyl that was in the vial.

6. At the end of January 2018, the Center's pharmacy ran reports as part of their normal surveillance process. The Omnicell® automated dispensing cabinet indicated that Licensee's narcotic pull rate was higher than her peers. This report, along with concerns regarding Licensee's entry of verbal orders for controlled substances, was brought to the attention of the vice president of the Center.

7. On February 5, 2018, the vice president, a member of human resources, and the nurse supervisor of the Center met with Licensee to discuss the above concerns. Licensee was told that she needed to submit to a urine drug screen prior to the conclusion of the meeting. Licensee left the meeting without submitting to a urine drug screen.

8. On February 6, 2018, Licensee was notified that her position was terminated for failure to submit to the urine drug screen.

9. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.
