- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

  - i. Respondent shall enroll and participate in a drug and alcohol monitoring program which is approved by the Department (Approved Program). Enrollment shall occur within thirty (30) calendar days from the date of this Order.
  - ii. At the time Respondent enrolls in the Approved Program, Respondent shall review all of the rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug monitoring established by the Approved Program is a substantial violation of this Order. The requirements shall include:
    1. Contact with the Approved Program as directed on a daily basis, including vacations, weekends and holidays.
    2. Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.

- vi. All positive test results are presumed valid and may result in automatic suspension of licensure by the Board or the Board's designee. Respondent must prove by a preponderance of the evidence an error in collection, testing, fault in the chain of custody or other valid defense.
- vii. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances, Respondent shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.

A substantial violation includes, but is not limited to, a positive drug screen. A repeated violation is defined as the multiple violations of the same provision or violation of more than one provision. The Board or its designee may, in conjunction with the suspension, prohibit Respondent from seeking termination of the suspension for a specified period of time.

6. The Board or its designee may terminate the suspension if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the suspension to be terminated. Whether to terminate the suspension shall be wholly in the discretion of the Board or its designee.

7. After the first year from the date of this Order, Respondent may petition the Board on an annual basis for a modification of the terms of this Order. After two (2) consecutive years of successful compliance, the Respondent may petition the Board for return of full licensure. The Board may grant or deny any petition, in its discretion, or may modify this Order as it sees fit.
