#### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

On March 25, 2019, the Wisconsin Board of Nursing ("Board") issued an Order Granting Limited License ("Order"), granting Applicant a limited professional nursing license (#116014-30) for the sole purpose of completing the nursing refresher course. Upon receipt of proof of successful completion of the refresher course, this limitation would be removed, and Applicant's license would be limited and suspended for an indefinite period. Pursuant to the Order, Applicant may petition for a stay of suspension upon providing proof that Applicant is in compliance with the provisions of Sections C and D of the Order.

Applicant's petition for an initial stay of suspension has been reviewed pursuant to the Order. Based upon the information of record, which demonstrates that Applicant qualifies for a stay of suspension at this time, the following is entered:

ORDER

1. The suspension of Applicant's professional nursing license (#116014-30) is hereby STAYED.
2. The stay is continuous, contingent upon Applicant's compliance with the terms and conditions of the Order.
3. This order is effective the date of its signing.
