- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

On January 6, 2020, the Wisconsin Board of Nursing ("Board") issued an Order Granting Limited License ("Order") granting Applicant a professional nursing license (#251474-30) with certain terms and conditions including, but not limited to, no direct patient contact until Applicant has completed a fitness-to-practice evaluation by an approved mental health provider experienced in evaluating health care practitioners' fitness for duty, and the Board determines Applicant is safe to practice. The Order further states that Applicant's license can be limited in a manner to address any concerns the Board has with the conduct set out in the Order's Findings of Fact and to address any recommendations resulting from the evaluation.

On April 9, 2020, the Board reviewed and accepted the report resulting from Respondent's fitness-to-practice evaluation. Based on the evaluator's recommendations, the following is entered:

1. The limitation for no direct patient contact is hereby removed.
2. Applicant's license is further limited to require counseling requirements as recommended in the Fitness-to-Practice evaluation.
