- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

INVESTIGATION NOTES:

This DEPARTMENT ORDER is issued as a result of an inspection on the above referenced site. Upon information and belief Mr. Anderson is in a land contract on this property with Mark Sable. A property record search found that Mr. Anderson is listed as the property owner of the site, therefore he is listed as the recipient of this Order. Mr. Anderson should work with Mr. Sable on determining who is required to abate the violations. The Department's position has traditionally been that the property owner is ultimately required to abate the violations and any penalties etc. are to be enforced against the property owner. It is understood that some of these violations may already be abated.

The following violations were revealed:

Failure to submit and obtain construction plans review approval from the department prior to commencing construction of the "loading dock".

Failure to submit and obtain construction plans review approval from the department prior to commencing interior building alterations and structural repairs.

Wis. Admin. Code §SPS 361.30(1) Plan review and approval— Except as provided in par. (b), Table 361.30-1, and sub. (4), the construction of, the alteration of, or the addition to a public building or a place of employment may not commence unless plans for the project have been submitted to and approved by the department or its authorized representative in accordance with s. SPS 361.31.

Suggested action: Submit construction plans to the Department.

Additional violations:

2015 NFPA 54 §7.2.1 – Failure to properly install and support fuel-gas piping.

2015 NFPA 54 §7.2.6 – Failure to install CCST piping in accordance with this code and the manufacturer's installation instructions.

You are hereby ordered to have the installation corrected to conform to the indicated provisions of the Wisconsin Administrative Code and/or Wisconsin Statutes. This installation shall be corrected by the compliance date noted, and upon correction of violations I must be notified. If you fail to comply, this order is enforceable in circuit court pursuant to Wis. Stat. Sec. 101.02(13), Stats., with forfeitures ranging from \$10 to \$100 per day for each violation.

If you have any questions regarding this matter, please feel free to contact me or Joe Merchak at the numbers listed below.

Wis. Admin. Code § SPS 303.03 Permits any person affected by a rule of the department to petition for a variance of the rule. The petition needs to establish equivalency to the rule, be provided on the form from the department and be submitted with accompanying fee and municipal recommendation.

Wis. Stat. § 101.02(6) Any employer or other person interested either because of ownership in or occupation of any property affected by any such order, or otherwise, may petition for a hearing on the reasonableness of any order of the department in the manner provided in this subchapter. All requests must be received within 30 days of the date of this Order and shall set out specifically and in full detail the order upon which a hearing is desired and every reason why such order is unreasonable, and every issue to be considered by the department on the hearing. The petitioner shall be deemed to have finally waived all objections to any irregularities and illegalities in the order upon which a hearing is sought other than those set forth in the petition.
