#### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Licensee Merrietta Brady, L.P.N., (DOB: XX/XX/1959) is licensed in the state of Wisconsin as a practical nurse, having license number 304208-31, first issued on January 30, 2003 and current through April 30, 2021. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is located in Watertown, Wisconsin 53094.

2. At all times relevant to this proceeding, Licensee was employed as a practical nurse at a medical clinic (Clinic), located in Columbus, Wisconsin.

3. On September 17, 2018 Patient A was scheduled to receive a Depo Provera shot at the Clinic.

4. On September 17, 2018, Licensee administered a mite allergy shot to Patient A in error. The mite allergy shot was intended for Patient B, who had the same last name and same first initial as Patient A.

5. When Licensee went to administer the second mite allergy shot, Patient A realized that this was not the Depo Provera shot.

6. Licensee called an allergist to determine the best course of action. Following that call, Licensee administered Benadryl to Patient A and, at Patient A's request, administered the Depo Provera shot.

7. On September 18, 2018, Patient A ran a fever.

8. Licensee stated the error was due to having two (2) patients in a row with the same last name and same first initial; which is the information Licensee requested of Patient A, prior to administering the mite allergy shot. To prevent further errors, Licensee now asks for three (3) identifiers before administering a drug.

9. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.
