The parties in this matter agree to the terms and conditions of the attached Stipulation as the resolution of this renewal application. The Wisconsin Board of Nursing (Board) adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Gina Van Altena (Applicant) filed an application to renew her Wisconsin Registered Nurse license (license number 157096-30).
2. Applicant resides in Wisconsin.
3. Information received in the application process reflects that Applicant has the following conviction, an act which shows her to be unfit or incompetent by abuse of alcohol:
 - a. On or about January 7, 2019 – OWI (1st with passenger <16 years old), a misdemeanor conviction.
 - i. Applicant states she was drinking at a friend's house and had to go pick up her daughter. At 10:00 p.m. she picked up her 12-year-old daughter, then drove to get food with her daughter in the car. After arriving, restaurant staff called the police as Applicant had been belligerent with staff, staff smelled intoxicants on Applicant's

breath, and staff were concerned for the wellbeing of the child in the vehicle. Applicant's daughter stated her mother scared her as Applicant was driving poorly, Applicant's speech was slurred, and Applicant was ignoring her daughter's pleas.

- ii. Although she initially denied drinking, when confronted about the odor of intoxicants on her breath, Applicant admitted to consuming approximately half of a pint of vodka. Applicant failed the standard field sobriety test (SFST) and blew a preliminary breath test (PBT) of .23.
 - iii. Applicant paid a fine, her driver's license was revoked for 14 months, and she was ordered to use an interlock ignition device (IID) for 14 months.
- b. Applicant completed an Alcohol and other Drug Abuse (AODA) assessment which found Alcohol Dependency with a Recurrent Drinking Pattern and Moderately Advance Alcohol Chronicity.
- i. Applicant began AODA treatment May 6, 2019. She is working to complete an intensive outpatient treatment.
- c. Applicant did not report her OWI (1st with passenger <16 years old) misdemeanor conviction to the Board within 48 hours of the entry of Judgment of Conviction.

4. In resolution of this matter, Applicant consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07 and is authorized to enter the attached Stipulation pursuant to Wis. Stat. §§ 15.08(5)(c) and 227.44(5).
2. Pursuant to Wis. Stat. § 441.07(1g)(c), the Board may deny or limit a license if Applicant committed acts which show the Registered Nurse, to be unfit or incompetent by reason of negligence, abuse of alcohol or other drugs, or mental incompetency.
3. Pursuant to Wis. Stat. §§ 441.07(1g)(b) and (d), the Board may deny or limit a license if Applicant violates any rule or statute or engages in unprofessional conduct.
4. Grounds for denying a license include being unable to practice professional nursing safely by reason of alcohol or other drugs pursuant to Wis. Admin. Code § N 7.03(6)(f).
5. Grounds for denying a license also include failure to notify the Board of a felony or misdemeanor in writing within 48 hours after the entry of the judgment of conviction pursuant

to Wis. Stat. §§ 440.03(13)(am), 441.07(1g)(b) & (d), and Wis. Admin. Code § SPS 4.09(2) and N 7.03(1)(h).

6. Pursuant to Wis. Stat. § 440.08(4), the Board may deny the Applicant's application for renewal of her Registered Nurse license to protect the public health, safety, or welfare.

ORDER

1. The attached Stipulation is accepted.

2. Limitations upon Applicant's Registered Nurse license are necessary to ensure that she is fit and competent to safely practice as a Registered Nurse.

3. Applicant's ability to practice as a Registered Nurse in the state of Wisconsin, and her privilege to practice pursuant to the Enhanced Nurse Licensure Compact (Compact), is LIMITED as follows:

a. For a period of at least two (2) years from the date of this Order:

i. Applicant shall enroll and participate in a drug and alcohol monitoring program which is approved by the Board or its designee (Approved Program). Enrollment shall occur within thirty (30) calendar days from the date of this Order.

ii. At the time Applicant enrolls in the Approved Program, Applicant shall review the rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug and alcohol monitoring established by the Approved Program is a substantial violation of this Order. The requirements shall include:

1. Contact with the Approved Program as directed on a daily basis, including vacations, weekends and holidays.

2. Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.

3. The Approved Program shall require the testing of specimens at a frequency of not less than twenty-eight (28) times per year, for at least the first year of this Order. Thereafter, the Board may adjust the frequency of testing on its own initiative at any time.

iii. Applicant shall abstain from all personal use of alcohol.

- iv. Applicant shall abstain from all personal use of controlled substances as defined in Wis. Stat. § 961.01(4), except when prescribed, dispensed or administered by a practitioner for a legitimate medical condition. Applicant shall disclose Applicant's drug and alcohol history and the existence and nature of this Order to the practitioner prior to the practitioner ordering the controlled substance. Applicant shall at the time the controlled substance is ordered immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Applicant's treatment with, and provide copies of treatment records to, the Board or its designee. Copies of these releases shall immediately be filed with the Department of Safety and Professional Services Monitor (Department Monitor).
- v. Applicant shall report to the Department Monitor all prescription medications and drugs taken by Applicant. Reports must be received within 24 hours of ingestion or administration of the medication or drug, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs. Each time the prescription is filled or refilled, Applicant shall immediately arrange for the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.
- vi. Applicant shall provide the Department Monitor with a list of over-the-counter medications and drugs that she may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Applicant's treatment and rehabilitation, shall not be taken unless ordered by a physician, in which case the drug must be reported as described in the paragraph 4(a)v.
- vii. All positive test results are presumed valid and may result in automatic suspension of licensure by the Board or the Board's designee. A positive test is a violation of this order.
- viii. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Applicant shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- ix. Applicant shall provide Applicant's nursing employer with a copy of this Order before engaging in, or continuing to engage in, any

nursing employment. Applicant shall provide the Department Monitor with written acknowledgment from each nursing employer that a copy of this Order has been received. Such acknowledgment shall be provided to the Department Monitor within fourteen (14) days of beginning new employment and/or within fourteen (14) days of the date of this Order for employment current as of the date of this Order.

- x. It is Applicant's responsibility to arrange for quarterly written reports to be submitted to the Department Monitor from her supervisor at each setting in which Applicant practiced nursing in the previous quarter. These reports shall be submitted as directed by the Department Monitor, and shall assess Applicant's work performance, and shall include the number of hours of active nursing practice worked during that quarter. If a report indicates poor performance, the Board may institute additional limitations on Applicant's nursing license, in its discretion.
- xi. Applicant may work as a nurse or other health care provider in a setting in which Applicant has access to controlled substances.
- xii. Applicant shall report to the Board any change of employment status, residence, address or telephone number within five (5) days of the date of change.
- xiii. Applicant shall commit no new violations of law and shall report all law enforcement contacts leading to arrest, charge or conviction, including DWI/OWI and municipal/ordinance violations, to the Department Monitor within 48 hours of any such event, including any convictions resulting from pending charges.

4. Applicant may petition the Board on an annual basis for modification of the terms of this Order, however no such petition for modification shall occur earlier than one (1) year from the date of this Order. Denial of a petition in whole or in part shall not be considered a denial of a license within the meaning of Wis. Stat. § 227.01(3)(a), and Applicant shall not have a right to any further hearings or proceedings on the denial.

5. After two (2) consecutive years of successful compliance, including at least six hundred (600) hours of approved nursing practice each year, the Applicant may petition the Board for return of full licensure. The Board may grant or deny any petition, in its discretion, or may modify this Order as it sees fit.

6. Pursuant to the Compact, Applicant may not practice in a Compact State, other than Wisconsin, while her license is encumbered by any limitation or restriction imposed by this order.

7. Any requests, petitions, reports and other information required by this Order shall be mailed, e-mailed, faxed or delivered to:

The Board or its designee may terminate the suspension if provided with sufficient information that Applicant is in compliance with the Order and that it is appropriate for the suspension to be terminated. Whether to terminate the suspension shall be wholly in the discretion of the Board or its designee. The Board may, in addition and/or in the alternative refer any violation of this Order to the Division of Legal Services and Compliance for further investigation and action.

9. Applicant shall be responsible for all costs and expenses incurred in conjunction with the monitoring, screening, supervision, and any other expenses associated with compliance with the terms of this Order. Being dropped from a program for non-payment is a violation of this Order.
