7. The Board accepts the 2020 CME as satisfying, in part, the education it would have otherwise ordered below.

8. Respondent is retired and maintains she completed sufficient continuing medical education in 2016-2017, but to resolve this matter she consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

f. The continuing medical education completed pursuant to this requirement will be used to satisfy only the continuing education required for the 2016-2017 biennium. None of the education completed pursuant to this requirement may be used to satisfy any other continuing education requirements that have been or may be instituted by the Board or Department.

g. Satisfaction of this limitation does not relieve Respondent of the obligation to complete continuing medical education in the current biennium.

h. This limitation shall be removed upon Respondent demonstrating to the Board or its designee that Respondent has successfully completed continuing medical education requirements for the 2016-2017 biennium.
