All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

You are receiving this forfeiture because a department investigation found that you engaged in plumbing without a license. Specifically, the investigation found that you admitted to doing plumbing work at 2616 East Milwaukee Street, Janesville, Wisconsin without having the proper

license to do so. The investigation found that you moved a dishwasher, piped a new receptor for the dishwasher, piped a waterline for the dishwasher, and installed piping to connect a food prep sink to a grease interceptor. The investigation found that you admitted to having done the work. Wisconsin code states that the Department may issue a forfeiture against an unlicensed individual if it is found that the individual installs plumbing when a master plumber is not in charge of the plumbing installation.

For these reasons a forfeiture of \$1,000.00 is assessed in accordance with Wis. Admin. Code § SPS 305.125.
