#### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

You are receiving this forfeiture because an investigation found a preponderance of evidence that you engaged in plumbing without having the proper license. The Department found that you

engaged in plumbing by installing a water heater at 64 E Chestnut Street, Chilton Wisconsin. Installing a water heater constitutes plumbing as defined by Wis. Stat. § 145.01(10) and a license is required per Wis. Stat. § 145.06.

According to Wis. Admin. Code § SPS 305.125(1)(b), the first violation of engaging in plumbing without a license where no master plumber oversees the project subjects you to a forfeiture of \$1,000.

For these reasons a forfeiture of \$1,000.00 is assessed in accordance with Wis. Admin. Code § SPS 305.125.

Dated at Madison, Wisconsin on 18 February, 2021.
