FINDINGS OF FACT

1. Respondent Allison K. Hansen, L.P.N., (Year of Birth 1991) is licensed in the state of Wisconsin as a licensed practical nurse, having license number 317540-31, first issued on September 16, 2013 and current through April 30, 2021. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Racine, WI 53406.

2. At all times relevant to this proceeding, Respondent was employed as a licensed practical nurse at a medical facility (Facility), located in Appleton, Wisconsin.

3. On October 26, 2018, Respondent failed to document the administration of oxycodone to two patients.

4. A registered nurse and a licensed practical nurse working at the Facility on October 26, 2018 reported instances in which their patients received one oxycodone tablet from Respondent although it was documented in the eMAR and Pyxis that two tablets of oxycodone were pulled by Respondent.

5. The facility conducted an investigation which included chart reviews to identify any diversion or missing medications and interviews. Respondent was interviewed, drug tested, and suspended pending investigation.

6. On October 30, 2018, the Facility met with Respondent to discuss the discrepancies with the patients and in narcotic documentation and administration from October 10, 2018, to October 26, 2018 including:

- a. The withdrawal of narcotics from Pyxis without documenting administration.
- b. The failure to follow protocol for documenting patient pain levels related to administration.
- c. The withdrawal of medications from Pyxis which were not due to be administered to the patient.

7. On November 2, 2018, the Facility received the results from the October 26, 2018 urine drug screen. Results were negative for all drugs tested including amphetamines/methamphetamine, benzodiazepines, cocaine, MDMA/MDA, phencyclidine, barbiturates, marijuana, codeine/morphine, and oxycodone/oxymorphone.

8. In a follow-up interview with the Facility on November 5, 2018, Respondent admitted to cutting corners at times and pulling multiple patients' medications at once from Pyxis and that the unaccounted medications must have been administered to patients despite the lack of documentation. Respondent was terminated.

9. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.
