FINDINGS OF FACT

1. Amy S. Hurst, L.P.N. (Licensee), (Year of Birth 1972) is licensed in the state of Wisconsin as a practical nurse, having license number 304435-31, first issued on July 24, 2003, and current through April 30, 2021. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Waupaca, Wisconsin 54981.

2. At all relevant times, Licensee was employed as a licensed practical nurse at a veteran's facility in Waupaca, Wisconsin.

3. On October 13, 2020, Licensee did not complete a left lower leg and foot treatment for Resident A, a 96-year-old male with significant venous stasis ulcers on both lower extremities and copious drainage. Licensee charted that Resident A was asleep. She said she intended to complete his treatment later but ran out of time.

4. On October 15, 2020, Licensee again did not complete Resident A's left lower leg and foot treatment. Licensee said she asked Resident A if she could complete his treatment, but he said not now. Licensee did not educate Resident A on the risk of infection because he was moving away from her in his wheelchair.

5. On October 17, 2020, treatment on Resident A's lower extremities was completed by another nurse, at which time his leg dressings were saturated and an odor was noted.

6. Licensee understands she should have asked for assistance in both instances. Licensee was provided education on the meaning of neglect and will be more closely supervised.

7. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.

Licensee shall be responsible for locating course(s) satisfactory to the Board and for obtaining the required approval of the course(s) from the Board or its designee. Licensee must take and pass any exam offered for the course(s).
- b. Licensee shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board and may not be used in any future attempt to upgrade a credential.
- c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Licensee. The monitoring liaison may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.
