- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

FINDINGS OF FACT

1. Colleen P. 2. At all times relevant to the proceedings, Licensee was employed as a registered nurse at a clinic in Monroe, Wisconsin (Clinic).
3. On May 3, 2020, a female quadriplegic, wheelchair-bound patient (Patient A) presented to the Clinic with pain and edema. Patient A was administered Valium and Toradol,

medications with potential side effects of dizziness and drowsiness. Patient A also had a documented fall risk.

4. Upon discharge, Licensee and a certified nursing assistant (CNA A) attempted to transfer Patient A from the examination table to Patient A's wheelchair using a two person sit-to-stand pivot transfer method, instead of using an easy stand or calling for additional help. Licensee and CNA A were unsuccessful in the transfer, and lowered Patient A to the floor. Licensee then requested assistance from another CNA to complete the transfer.
