The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusion of Law, and Order.

FINDINGS OF FACT

1. Licensee Timothy Conner, M.D., (Year of Birth 1961) is licensed in the state of Wisconsin to practice medicine and surgery, having license number 252-320, first issued on September 27, 2018, with registration current through October 31, 2021. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Omaha, Nebraska 68130.

2. At all relevant times, Licensee practiced as a radiologist contracted to perform services for a medical center in Charleston, West Virginia (Hospital).

3. On June 15, 2017, Patient A (a male born in 1971) presented to the Hospital's emergency department (ED) with right shoulder pain after he had collapsed while working outside in the heat.

4. An emergency physician ordered an x-ray of Patient A's shoulder, which was interpreted by Licensee. Licensee's report noted that an axial view was unable to be performed. Licensee's interpretation of the Y-view x-ray indicated no acute fracture, dislocation, or other bony abnormalities, and Patient A was discharged.

5. On June 16, 2017, Patient A returned to the ED with continuing pain. A CT scan of his shoulder was performed and interpreted by another provider, which revealed a posterior shoulder dislocation.

6. This Final Decision and Order for Education does not constitute professional discipline and the Board has made no finding that Licensee engaged in unprofessional conduct.

7. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.

CONCLUSION OF LAW

Licensee shall be responsible for locating course(s) satisfactory to the Board and for obtaining the required approval of the course(s) from the Board or its designee. Licensee must take and pass any exam offered for the course(s).
- b. Licensee shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board or Department and may not be used in any future attempt to upgrade a credential.
- c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Licensee. The monitoring liaison may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.
