You are receiving this forfeiture because a Department investigation found you performed electrical work at S3830 Newton Road, Genoa WI 54632 without possessing any electrical

license. A license is required in the State of Wisconsin to perform most electrical work. An investigation by the Department found a preponderance of evidence that you engaged in electrical work without the proper credential.

The basis of the forfeiture stems from the invoices which indicate that you were at the site approximately 50 different days performing electrical work. The Department utilized discretion and found that a forfeiture for half the days (25) and for half the total allowable forfeiture (\$250) was appropriate. The Department found that this was a large electrical project where your failure to be properly licensed put the public and the homeowners at risk of injury or death.

The Department considered your claim that you were unaware of licensing requirements and finds that unpersuasive. It is reasonable to believe that you should understand the licensing requirements associated with the electrical profession. Upon the payment of the forfeiture, if you wish to continue performing electrical work you shall immediately obtain the appropriate credential. You shall cease and desist from any electrical work until you possess the proper credential. Failure to do so can lead to future disciplinary actions.

You have the right to request a hearing on this matter by sending a request for hearing to the Department of Safety and Professional Services, Chief Legal Counsel, P.O. Box 7190, Madison, Wisconsin 53707-7190, which must be received by the Department no later than 30 days from the date of mailing of this Notice. Any review will be held in accordance with the requirements set forth in Wis. Stat. § 101.02(6). Such request for review shall set out specifically and in full detail every reason why this order is unreasonable, and every issue to be considered by the Department in the review.

For engaging in electrical work without the proper credential and for operating a business without the proper credential the forfeiture of \$6,250.00 is assessed in accordance with Wis. Stat. § 101.88(3).

Dated at Madison, Wisconsin on October 29, 2021.
