The Department's allowed you an opportunity to respond. In your response you misled the Department by stating that a master electrician performed the work and pulled the permit and

that there was never a small claims case filed against you. Lying to the Department is considered misconduct.

Therefore, based on the foregoing, the Department finds that a revocation is appropriate and is entered pursuant to the terms laid out in this document.

You have the right to request a hearing on the revocation by sending a request for hearing to the Department of Safety and Professional Services, Chief Legal Counsel, P.O. Box 7190, Madison, Wisconsin 53707-7190, which must be received by the Department no later than 30 days from the date of mailing of this Notice. The request for a hearing on the revocation shall set out specifically and in full detail every reason why this order is unreasonable, and every issue to be considered by the department on the hearing. Anything not addressed in the request shall be deemed waived. Any hearing on the revocation will be held in accordance with the requirements set forth in Wis. Stat. ch. 227.
