The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Tonya L. Crouch, R.N. (Licensee), (Year of Birth 1970) is licensed in the state of Wisconsin as a registered nurse, having license number 126929-30, first issued on July 16, 1997, and current through February 28, 2022.<sup>1</sup> Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Fond du Lac, Wisconsin 54937.

---

<sup>1</sup>Licensee's license was set to expire on February 28, 2022, and it does not appear she has attempted to renew. However, due to 2021 Wisconsin Act 10, all health care provider credentials will not expire until thirty days after the end of the declared national emergency. Therefore, Licensee's license remains active.

### Prior Discipline

2. In August and September 2005, Licensee diverted oxycodone from the hospital she worked at for her own use to control migraine pain.
3. Licensee took a urine drug screen, which tested positive for oxycodone.
4. On April 20, 2006, the Board issued Order No. LS0604203NUR, suspending her license with limitations. The suspension was stayed pending her compliance with AODA treatment and random drug testing.
5. On May 5, 2011, the Board reinstated Licensee's license without restrictions.

### Current Case

6. At all times relevant to this proceeding, Licensee worked as a registered nurse at a nursing home facility located in Fond du Lac, Wisconsin (Facility).
7. The Department received a complaint alleging that on July 24, 2021, Licensee was suspected of diverting oxycodone from the Facility.
8. On July 24, 2021, Resident A was scheduled to be discharged. Licensee and LPN A signed out Resident A's medication card that contained 38 oxycodone 5 mg tablets. Later that day, 11 oxycodone 5 mg tablets went missing from the medication card.
9. When Licensee was questioned by the DON about what happened to the missing medication she stated, "I don't know."
10. Licensee confirmed she left the medication card on top of the medication cart unlocked and unattended in a bag.
11. On July 24, 2021, Licensee completed a urine drug screen. The results were negative.
12. This Final Decision and Order for Education does not constitute professional discipline and the Board has made no finding that Licensee engaged in unprofessional conduct.

### CONCLUSIONS OF LAW

1. The Board is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

### ORDER

1. The attached Stipulation is accepted.

2. Within six (6) months of the date of this Order, Licensee shall at their own expense take and successfully complete six (6) hours of education on the topic of appropriate handling of controlled substances as follows:

- a. Each course attended in satisfaction of this Order must be pre-approved by the Board or its designee. Licensee shall be responsible for locating course(s) satisfactory to the Board and for obtaining the required approval of the course(s) from the Board or its designee. Licensee must take and pass any exam offered for the course(s).
- b. Licensee shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board and may not be used in any future attempt to upgrade a credential.
- c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Licensee. The monitoring liaison may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.
