- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

**ORDER 0008154**

Division of Legal Services and Compliance Case No. 22 NUR 105

The parties to this action for the purpose of Wis. Stat. § 227.53 are:

Terry R. Dulle, R.N.  
Altoona, WI 54720

Wisconsin Board of Nursing  
P.O. Box 8366

Division of Legal Services and Compliance  
Department of Safety and Professional Services  
P.O. Box 7190

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Respondent Terry R. Dulle, R.N., (Year of Birth 1960) is licensed in the state of Wisconsin as a registered nurse with multistate privileges pursuant to the Nurse Licensure Compact (Compact), having license number 171510-30, first issued on February 10, 2010 and current through February 29, 2024. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Altoona, Wisconsin 54720.

2. At all times relevant to this proceeding, Respondent worked as a registered nurse at a correctional institution in Stanley, Wisconsin (Facility).

3. On January 26, 2022, Inmate A, a 63-year-old male with a history of stroke, presented to Respondent in the Facility's Health Services Unit (HSU) complaining of right arm

pain. Respondent charted that Inmate A had no strength in his right arm, unequal face movements, droop on the right side of his face, and trouble communicating, all symptoms of stroke. Respondent checked his vital signs, which were within normal limits, confirmed he had medication for the pain, and sent Inmate A back to his unit.

4. Within a few minutes, Respondent asked a corrections officer if Inmate A typically had trouble speaking and the officer said no. Respondent then asked to have Inmate A returned to the HSU so she could assess him for stroke.

5. Respondent called the physician on call and told him the results of her neurological assessment of Inmate A. The physician told her to send Inmate A to the emergency room by the quickest means possible.

6. Instead of calling 9-1-1 or an ambulance pursuant to Facility protocol, Respondent put Inmate A in the Facility van for transfer to the emergency room, which caused an unnecessary delay in treatment. Respondent instructed the van's driver to go to a hospital further away than the closest hospital to the Facility. Respondent stated she did this "out of habit."

7. At the hospital, Inmate A's exam was consistent with stroke, but because of the inconsistent and incomplete reporting of onset and delayed transfer by private vehicle, Inmate A was not a candidate for TPA.

8. Based on the Facility's investigation, Respondent was suspended without pay for five days and eventually resigned.

9. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07 and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Respondent violated Wis. Admin. Code § N 7.03(6)(c) by departing from or failing to conform to the minimal standards of acceptable nursing practice that may create unnecessary risk or danger to a patient's life, health, or safety.

3. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1g)(b) and (d), and Wis. Admin. Code § N 7.03.

#### ORDER

  - c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Respondent. The monitoring liaison may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.
  - d. This limitation shall be removed from Respondent's license after satisfying the Board or its designee that Respondent has successfully completed all the ordered education.
4. Within ninety (90) days from the date of this Order, Respondent shall pay COSTS of this matter in the amount of \$432.00.
