- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.

You have the right to request a review of the assessment of forfeiture by sending a request addressed to Division Administrator, Division of Industry Services, P.O. Box 7302, Madison, WI 53707-7302. Any review of the assessment of forfeiture will be held in accordance with the requirements set forth in Wis. Admin. Code § SPS 305.125. Such request for review shall set out specifically and in full detail every reason why this order is unreasonable, and every issue to be considered by the Department in the review and must be received within 30 days of the date of mailing of this Notice.

You are receiving this forfeiture because a department investigation found that you engaged in plumbing without a license. Specifically, the investigation found a preponderance of evidence that you performed plumbing at 18194 Harpts Lake Road. You admitted to performing plumbing to the Department.

Based on the evidence presented to the Department, there is a preponderance of evidence that you engaged in unlicensed plumbing. Wisconsin code states that the Department may issue a forfeiture against an unlicensed individual if it is found that the individual installs plumbing when a master plumber is not in charge of the plumbing installation. For these reasons a forfeiture of \$1,000.00 is assessed in accordance with Wis. Admin. Code § SPS 305.125.

Dated at Madison, Wisconsin on September 21, 2022.
